

STUDENT MEMBERSHIP BENEFITS

Reduced dues. We've lowered the dues amount for you. Students now pay just \$60 in national dues to belong to NATA. www.nata.org/membership/dues.htm

Special pricing and more for NATA Annual Meeting. Student members pay only \$99 to attend NATA's annual meeting, the premier live event for the athletic training profession. We have plenty of student-specific things at the convention, including student programming and a student lounge. And, we've designated a special block of hotel rooms just for you. www.nata.org/annualmeeting

Student Blog. This blog just for NATA student members lets you talk to your fellow students across the country, about issues that are important to you. www.nata.org/members1/blogs

NATA News. As an NATA member, you receive 12 issues of this award-publication each year. It's available in both printed and online editions. www.nata.org/members1/natanews.cfm

Student member section of NATA Web site. In addition to the members-only section of the Web site, you get access to a large special section just for students! www.nata.org/members1/student

NATA Career Center. The state-of-the-art resource for you to find an athletic training job (free access to the Career Center job listings is included with your student membership), or post a job. www.nata.org/employment

ATrack access. ATrack is NATA's online program that manages your clinical proficiencies, and it's available to you as a student member. www.atrackonline.com

Scholarships. The NATA Research & Education Foundation awards thousands of dollars in athletic training scholarships each year – and only NATA student members are eligible to apply. www.natafoundation.org/scholarship.html

Journal of Athletic Training. NATA's award-winning scientific publication is published quarterly, and is available online for student members. www.nata.org/jat

CHATS. This online forum (Communications Helping Athletic Training Students) is specifically for you! It includes sections on education, careers and more – and it lets you post profiles and photos. Think of it as the MySpace for NATA student members. www.nata.org/members1/chats

Discount on BOC exam. NATA members get a \$25 discount on the BOC exam application fee. www.bocatc.org

Affinity programs. You're eligible for discounts on high-quality products and services such as professional liability insurance, travel, the CSCS exam and more. www.nata.org/members1/affinityprograms.cfm

... and more.

Remember: When people band together into an association, it becomes possible to accomplish things on behalf of the profession that would be hard to accomplish individually.

We appreciate your NATA student membership!
