***This course meets the MLISc degree required technology (ICT) option for both the old 42 and new 39 credit (effective Fall 2013) requirements for the degree.**

****This course meets the MLISc degree required technology (ICT) option for 42 credits. In Fall 2013, this course will be a required core course for the switch to 39 credits.**

- Summer courses must be self-supporting. Therefore, courses must have a minimum of 10-12 students as REGISTERED and PAID participants to offer the course.
- Students cannot simultaneously take more than two six-week classes during the same period.
- Asynchronous (online) courses do not meet face to face. It is up to the instructor to decide which day of the week assignments are due.
