You should evaluate your internship using the SLO Self Assessment Table above. This table is based on the Student Learning Outcomes (SLOs) in the section IV of the syllabus and also your own goals addressed in your mid/final report. Please also give a brief example(s) to support your rating.

This self-assessment has no impact on your passing the course or not, but will be used to evaluate the course experience.

SLO1 Design, provide, and assess information services
SLO2 Apply history and ethics to develop a professional LIS identity
SLO3 Create, organize, manage and discover information resources
SLO4 Evaluate and apply information technologies
SLO5 Engage with diverse communities and/or indigenous cultures
SLO6 Demonstrate skills necessary to manage and work effectively within information
　　　organizations

Exceeded:　　Your performance exceeded your goals
Met:　　　　Your performance met your goals
Approached:　Your performance approached meeting your goals
Did not meet:　Your performance did not meet your goals
