Accessing Library Research Databases

a. From any Internet-accessible computer (on or off campus), go to the MCC Library Homepage at: www.maui.hawaii.edu/library

b. Click Search Our Collection. From the Search Our Collection page, under Articles & Resources, an alphabetical listing of the library research databases appear.

c. Select a database to search.

The most-commonly used database is EBSCO’s Academic Search Premier. This is a multi-disciplinary database that includes journal articles on every subject. Academic Search Premier is available from all EBSCO links on the library’s homepage.

OFF-CAMPUS ACCESS: If you are accessing a library database off-campus, you will be asked to enter your barcode number (the number on the front of your Student ID) and your last name.
