In Green Manoa Valley
University of Hawaii Alma Mater

Music by May Gay
Lyrics by Dorothy Rowell

1. In green Manoa valley our alma mater stands.
   Where mountains and daughters show claiming thy
   Flag of freedom.

2. Hawaii we have gathered with in thy wide flung.
   As sons and daughters claim ing thy
   Loyal praise we

3. Fresh her fertile lands.
   The shining walls.

1. Tender and
   Our aim,

2. Ocean's far horizon shall
   Bear thy honored name.

1. Greater love and service our alma mater calls.
