Basic Operational Guide for Media Equipment

Start-up Procedures

1. Press the **Projector ON** button on the **Switcher/Equipment Selector** to turn on the video projector.

2. Select the type of media equipment (source) you want to show through the video projector. The following media are available in this classroom:
   - **DVD/VCR Combo Player**
   - **PC Computer**

   External devices such as laptop computers and other equipment may be connected through the **VGA Cable** or **Auxiliary Inputs**.

3. Turn on the equipment and follow the instructions provided at right.

Close-down Procedures

1. Press and hold the **Projector OFF** button on the **Switcher/Equipment Selector** until the light blinks green (2 seconds) to turn off the video projector.

2. Shut down the computer and turn off the media equipment.

**IMPORTANT NOTICE**

It is important to turn-off the video projector. Failure to turn-off the projector (regardless if a light is being projected) will cause the lamps to burn out. Due to budgetary constraints, replacement and repair of equipment may not be available.

The media equipment in this classroom has been provided by the Center for Instructional Support. Call 956-8075 for any questions, problems, or concerns. Visit our website at: [http://www.cis.hawaii.edu](http://www.cis.hawaii.edu).

---

**Switcher/Equipment Selector**

1. Press **ON** button to turn on video projector
