School Cafeteria**

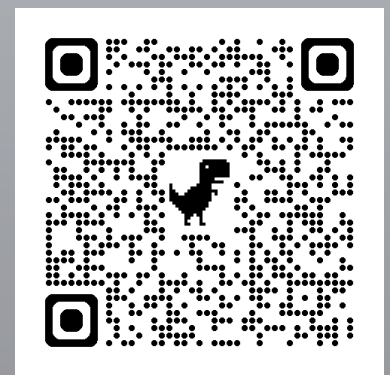

95-1140 Lehiwa Dr, Mililani, HI 96789

## Common Questions

1. How can I, as a parent/coach recognize a possible concussion?
2. How can I, as a parent/coach help support my athlete's concussion recovery?
3. When should my child return to school after a concussion? What support should I ask for?
4. Is there an age when children should wait to start contact sports?
5. How can coaches help prevent concussions in their sport? How can coaches recognize a suspected concussion?
6. How many concussions can an athlete have?
