Major Curriculum Changes

- Remedial/Developmental Math changes
  Added Math 26 (Math 24 & 25 in one semester), but more changes are being planned.
- Remedial/Developmental English changes are being developed.
- Archive Certificate of Competence in Applied Business and Information Technology
- CA Veterinary Assisting: To declare VETA as a major, the student is required to place at the ENG 100 / MATH 101 level and attend a Veterinary Technology Information Session.
- New ACT Placement Score for ENG 100
  - English Test Score of 18 will place the student in to ENG 100
- Online CA Veterinary Assisting – Program is being piloted at Maui College
  - Grant funded
  - Since the CA is a part of the AS Veterinary Technology and is AVMA approved, the non-credit classes being offered by Maui’s Edventure Veterinary Online courses will not transfer to the WCC degree.

My Success (Starfish)

- Joe Yoshida is expanding the uses of Starfish and refining the alert process.
