# Transfer Hawaii

How will your courses transfer to one of Hawaii's public colleges and universities?

## READ ME!

These are like yellow "post it" notes on top of each mock up screen. Please try to ignore titles, labels, look/feel, general text, etc. This mock up has been cobbled together from various sources and was created for discussing/establishing the target features and navigation. The u/p admin site is in the lower right corner, or you can follow the public/student view first using the button in the middle.

**Which school do you plan to attend in the future?  
The school you select will decide how credits you have earned elsewhere  
will count toward your degree.**

## Transfer Hawaii Equivalency and Evaluation Center

This tool allows you to create multiple evaluation and articulation requests simultaneously. The system will create an evaluation task for each checked institution in TES, including any notes and PDF attachments you add. Email alerts are sent to the default evaluator in each system. Tasks are first assigned to the same person, who then routes them out to appropriate faculty (TES admins for each account can take over the routing, should the default evaluator be unavailable).
