UNIVERSITY OF HAWAI‘I – WEST O‘AHU

Update on Academic Programs,
Campus Programs and Partnerships

CCAO meeting
Dr. Doris Ching, Interim VCAA
July 29, 2015

UH West O‘ahu began as a bold vision of the 1971 Legislature who requested UH to develop and implement plans for a second 4-year campus on the west side of O‘ahu.

BA – BUSA HOSPITALITY AND TOURISM

Primary purposes:
- Develop skills to manage operations in hospitality and tourism—hotels, restaurants, food service, airlines, travel agencies, events, attractions.
- Prepare for careers.

Unique characteristics:
- Hotel and conference center connects UHWO to business and industry and bridges academic learning with community/industry needs.
- Hub for Hawaiian cultural educational activities connected to UHWO.
- Host farm-to-restaurant dinner events showcasing students, academic programs and locally grown produce and area farmers.
BA – BAS CREATIVE MEDIA

Primary purposes:
• a “2+2” completion program that allows graduates of UH Community College media programs the opportunity to complete a Bachelor of Arts in Humanities at UHWO

approach, this program will enable each student to develop his/her unique skill set at the Community Colleges and then transfer seamlessly to UHWO for continued scholarship and professional development.
• Hub for Creative Media in Hawai’i
• Industry Experts to teach Master Classes

• Well-known TV/Film Producer
  • Laverne & Shirley
  • All in the Family
  • Saved by the Bell

• 2 courses
  • CM 320: Topics in Creative Producing (UHWO)
  • DMED 197: Direct Actors for the Studio (Leeward CC)

Gary Shimokawa

FUTURE ACADEMIC PROGRAMS

• Allied Health
• Alternative Pathways to (Teaching) Licensure (APL)
• Early Childhood Education Birth through 8 Years
• Special Education: B.Ed with Concentration in Special Education
BA – Birth – Age 8 Degree & License

Primary purposes:
• National focus on B-8 Teacher Education that builds a continuity in teacher training from birth through grade 3
• Need to establish a Birth Through Age 8 (B-8) ECE Teacher Education degree in Hawaii

Unique characteristics:
• Positioned to develop the first Hawaii B-8 ECE degree program.
• Currently have an articulated online ECE Preschool Teacher Education program with the UH Community Colleges serving the Leeward coast and neighbor islands.

PARTNERSHIPS & PROGRAMS

Onipa’a Pueo Scholars Program

Early College High School Program (ECHS)

Project Lead the Way

CULTURALLY ENGAGING CAMPUS ENVIRONMENTS (CECE)

Primary purposes:
• Student retention and degree completion;
• Student populations represented equitably;
• Quality student experience.

Unique characteristics:
• Groundbreaking inaugural national pilot-test campus.
• Academic Affairs-Student Affairs collaboration.
• Better understand areas within the institution that need modification to increase its student success rates.
• Contribute locally and nationally to understanding the impact of the campus environment on student success.
Early College Program

Primary purposes:
- To stimulate a college going culture in secondary school students by providing exposure to the rigors of college
- Provide a network of support to help students through their academic journeys.

Unique characteristics:
- First 4-year post secondary educational institution to partner with Waipahu High School (1st to be designated a Early College High School in Hawai'i)
- Since 2012, Partnerships with Nanakuli Intermediate and High School and Wai'anae High School with the support from GEAR UP and Title III grant

Students who took an EC class felt significantly more confident about succeeding in college.

ʻUluʻulu: The Henry Kuʻualoha Giugni Moving Image Archive of Hawaiʻi

MISSION is to perpetuate and share the rich moving image heritage of Hawaiʻi through the preservation of film and videotape related to the history and culture of Native Hawaiians and the people of Hawaiʻi.

Lyman Museum
1960

Nā Maka o ka ʻĀina
1977

80% of Hawai'i's film and tape media has been lost - ʻUluʻulu is in race to save the rest.
International Program
Committed to principles of Documentation, Coordination and Communication, Collegiality, Continuity, and Accountability

Partnerships
• Hawai‘i Tokai International College
• Meio University
• Kangwon Tourism College
• Seoul Tech
• Incheon National University
• UHS World
• Shinhyoen High School
• City University of Macau
• Telfort
• Ivy Cultural Development Limited

Chris Lee, Director of ACM with Tim Park traveled internationally promoting Creative Media.

PROJECT LEAD THE WAY (PLTW)

Primary purposes:
• Training program for Hawai‘i teachers in best practices in STEM education
• Partnership with a premier STEM-education organization, prestigious university affiliates, and Hawaii public and private K-12 schools,
• Modify proven project-based STEM education for cultural relevancy to address our efforts to be a model indigenous-serving institution.

Unique characteristics:
• Proven effective K-12 teacher training in project-based STEM disciplines (conducive to Hawaiian values of tactile learning methods);
• Established success with elementary, high school, and university STEM programs;
• Opportunities for Hawaii students to achieve scholarships and/or advanced college credit at UH West O‘ahu and other affiliate universities.
