UPDATE

A Proposal to Align Pre-Professional Program Codes and Codes for Meta-Majors, and other Pre-codes in Banner

Presented by

Pearl Iboshi
Director, Institutional Research and Analysis Office

at the CCAO/CSAO Meeting, December 11, 2015
Overview

**Goal**

Establish a standard for the creation of pre-professional codes, meta-majors and other pre-codes in Banner.

**Purpose**

Improve pathways for students in STAR which will improve progress to their educational goal.

Ensure consistent system-wide reporting.
UPDATE

1. Pre-Professional Programs

Pre-Professional programs will be allowed, if the program has a specific Classification of Instructional Programs (CIP) code created by National Center for Educational Statistics (NCES).

WHAT’S DONE

CIP codes have been changed in Banner for existing pre-professional major codes, 8/17/2015:

- PREN, Pre-Engineering, 14.0102
- PRLW, General (Pre-Law), 22.0001
- PRDE, Pre-Dentistry, 51.1101
- PMED, General (Pre-Medical Program), 51.1102
- PPHA, General (Pre-Pharmacy), 51.1103
- PRNU, Pre-Nursing, 51.1105

WHAT’S NEXT

Campuses will be able to submit program code requests to create new pre-professional program codes.
UPDATE

2. Meta-Majors or Exploratory Majors

Meta majors or exploratory majors that are used as pathways to a major will be created as a concentration under the code GEN.

WHAT’S DONE

Exploratory majors have been created in Banner, 9/14/2015:

1. EX, Exploratory
2. EXAH, Exploratory Arts & Humanities
3. EXB, Exploratory Business
4. EXED, Exploratory Education
5. EXHS, Exploratory Health Sciences
6. EXSS, Exploratory Social Sciences
7. EXST, Exploratory Science, Technology, Engineering & Mathematics

WHAT’S NEXT

Campuses will be able to submit program code requests to create new meta-majors or exploratory program codes.
UPDATE

3. Programs w/ Admission Requirements

Programs that have an admission requirement can create a concentration under the code GEN.

WHAT’S DONE

No actions have been done at this time.

WHAT’S NEXT

Pre-major codes that do not fall under the other proposed principles will need to be eliminated or be made into a concentration under GEN.
UPDATE

Other Notes and Questions?

WHAT’S NEXT

• OVPAA will develop an AP clarifying the policy to be reviewed by CCAO.

• Campuses are able to submit program code requests with required supporting document.

ANY QUESTIONS?

For more information about the program code request form and process, contact your campus program code coordinator or Princess Soares with IRAO.
Thank you!
