Guests: Cheryl Chappell Long (UHCC), Krystyna Aune, Mike Peters, William Ditto, Spencer Kimura, Avi Soifer, and John Butler (UHM)

Meeting Summary

Three proposals (provisional to established) were reviewed and endorsed by the CCAO. All proposals will be placed on the August BOR meeting. Comments to strengthen the proposals are as follows:

Master of Laws, Program for Foreign Law Graduates

- Address why request for established status is overdue.
- Add information on measurement of student learning.
- Add information on need factors for graduate programs as described in E5.201.
- Add information that have 87 graduates
- Add program review as appendix or link to it.

BA in ICS

- Address why request for established status is overdue
- More specific information on BA graduates and where they work.

Masters in Human Resource Management

- Consider explaining the format of the executive program – Wed/Saturdays as well as the cost and what it covers
- Add program review as appendix or a link if it is available elsewhere.
- Consider adding information on how this program is well received by community, show data on increasing enrollments and graduation rates and how well it serves the state HR community.
- Add specific data on survey results of program satisfaction, etc; also on enrollments and what graduates are doing.
- Add information on need factors for graduate programs as described in E5.201.
- Address why request for established status is overdue.

Next CCAO Meeting:
August 21, 2012 (NOTE: This is a Tuesday.)
