AATN Conference Update

Co-chairs Jean StavRue-Pe‘ahi and Nicole Keim-Fortuno provided an update. 134 are registered with 6 on waitlist; all will be accommodated. Focus is on best practices. There are 12 breakout sessions. The keynote speaker is the new president of NACADA, Dr. Joanne Damminger. There will be a closing session for campuses to meet to determine next steps.

UHM Arts & Sciences Update

Megumi Makino-Kanehiro will share the URL for the MAC website where policies and guidelines are published. Effective fall 2013, the FS requirement is changed to include any FS designated course for BA and BFA degrees from the College of Arts and Sciences. The depth and breadth requirement has also been eliminated. See http://www.advising.hawaii.edu/artsci/pages/academic_services/coresheets/. Students who enrolled UHM prior to fall 2013 may “opt in” to the new requirements.

FERPA Update

There have been several changes to the FERPA policy. However, no representative could attend today’s meeting as there is a guest speaker on FERPA on campus today. This will be a spring 2014 agenda item.

Automatic Admission

Offers went out on September 15 with a closing date of October 15, 2013. UHM working with STAR to address issue of students who already applied for spring 2014 and were accepted and paid their deposit (has a four-year campus SGASTDN record for spring 2014). Students in this situation would not be picked up by the STAR programming that identifies Auto Admit students. Students who are enrolled in UHM Outreach College are also not picked up on STAR programming.
Changes to Auto Admit: for admission to fall semesters, notifications will be sent on February 1 with a closing date of March 1 and September 1 with a closing date of October 1 for spring. The maximum number of Auto Admit offers is three, regardless of type and timeframe. Students who do not accept an Auto Admit offer will be reoffered in the subsequent semester.

The list of individuals who can add students for Auto Admit has been updated. Operating guidelines have also been updated. There will be a meeting of individuals who may add students to review the criteria, how to add etc. in late October 2013.

Contacts for Auto Admit at the four-year campuses are:
- UHM – Ryan Yamaguchi or Sean Tomlinson
- UHH – Curtis Nishioka
- UHWO – Craig Morimoto

Degree Pathways

- Ka‘ie‘ie – 79 students have applied to participate for spring 2014 between Kap CC and UHM. Program is expanding to Lee CC and Win CC for fall 2014. It is suggested that campuses interested in participating, have their VCAA contact the UHM VCAA, Reed Dasenbrock.
- Mananawai – UHWO had no update at this time.
- UHH and Haw CC – working on updating AJ articulation agreement. Haw CC and UHH meeting to discuss transfer quarterly.

Transfer of ENG 100 from non-UH Campuses

Clarity is needed regarding transfer of the equivalent of ENG 100 from non-UH campuses and the inclusion of a research paper. Ryan will check with the UHM Gen Ed Office with a follow up at spring 2014 AATN meeting.

Campus Reports

Have been posted on AATN website:
http://www.hawaii.edu/offices/app/aa/acad_adv_transfer_network.html

It was suggested that information from each campus on Jump Start, Running Start and NSO be shared for the spring 2014 meeting.

Update on SOATEST in STAR

Gary Rodwell reported that after discussions within UHM, it was determined that students will no longer be able to view their own test scores and UH faculty/staff with appropriate access will be able to view this information in STAR.
Redefining Class Standing

Members will obtain feedback from campus on impact of changing class standing to:
Freshman  0-29 credits
Sophomore  30-59 credits
Junior  60-89 credits
Senior  90+ credits

No change in defining full-time is proposed. Possible impact are amount of subsidized loan student may be eligible for; conflict with eligibility for transfer (24 credits), some programs admission requirements may indicate junior standing or 55 credits; promotes student success and negates the idea of student exploring during their college years; prerequisites that use class standing. This is not a proposal. It is an exploration of the impact of this change.

UCA Representative

Kanoe Lambert volunteered.

GE Core Worksheet 2013-2014

Please review for accuracy. Will be posted 10/11/2013.

Ed Goals

Maui and UHM are piloting for spring 2014. This is a mandatory series of questions that a student must complete before they can register. This is driven by the federal mandate to confirm home address and veteran status.

This mandatory checklist will be implemented for fall 2014 registration for all campuses. Campuses may revise the list of items students can select from as well as the population of students that will receive each question. Susan will share the default list of questions to AATN. This item has been shared with the CCAO/CCSAO.

Next meeting will be scheduled for spring 2014.
