

Engineering Consortium  
May 3, 2011  
830-1 p.m.

**College Hill - 2234 Kamehameha Avenue**

(Parking is limited and we may need to double park so if you plan to come and go, please park on the street)

1. PEEC/IKE NSF Pre Engineering Grant - John Rand/Louise Pagotto
2. Mathematics
3. Three semester pre engineering core curriculum
  - Status of online offering of EE 160 (Tep), Phys 272 (Kap) and EE 211 (Victor)
  - <http://www.eng.hawaii.edu/current-students/undergraduate-students/curricula-check-sheets/2010%20PE%20Curricula%20Check%20Sheet.pdf>
4. Advising of pre engineering students – Tep Dobry  
Those applying as transfer students must have completed the following courses:
  - Eng 100, Expository Writing
  - Math 241 & 242, Calculus I & II
  - Phys 170, 170L, General Physics (calculus-based) with Lab
  - Chem 161, 161L, 162, General Chemistry with Lab

Or their equivalents with a grade point average of 3.0 or higher for all university level coursework.
5. Associate of Science in Natural Science – Kapi‘olani CC and UHMC
6. Future activities (possible other grants to apply for)
7. Coordination of STEM outreach – Myhraliza Aala
8. Publicity for the consortium - (see attached PCR Facts write up)
9. Other
