Increasing K-16 Mathematics Outcomes and Expectations in Hawai‘i

You are invited to take a leadership role in aligning the new Common Core State Standards for Mathematics with first-year college mathematics courses for any degree pathway.

Saturday, October 9, 2010
8:30am - 1:00pm
Windward Community College
Hale ‘Akoakoa Room 103

Keynote Speakers include:
Doug Sovde, Senior Associate, Achieve, Developed the Common Core Model Pathways for High School Mathematics
William McCallum, University Distinguished Professor and Head, Department of Mathematics, The University of Arizona, and Co-Writer of the Common Core Mathematics Standards

To RSVP please use the attached registration form and return by September 24, 2010
Any questions, please contact Wesley Yuu at 956-4359 or email wyuu@hawaii.edu
