*Windward processed their students in two separated runs: run 1 – January 6, run 2 – February 6. The criteria used to select their student population are defined by their campus and may differ from the “No. of Students Processed” below. Based on their selection criteria, some of the same students appear on both the first and second runs.

- **No. of Students Processed** – Students who met the following criteria: 1. Home campused at their institution and 2. Pursuing a declared program of study (unclassified and early admission are excluded)
- **No. of Courses Processed** – Total number of cross-registered courses enrolled in fall 2014
- **No. of Courses Moved** – Excludes courses that did not meet criteria entered by user (e.g. <100 courses, grades below “D,” courses >= 300, etc.)
- **No. of Courses Articulated** – Total number of courses that could automatically be articulated. Reasons why a course could not automatically articulate: no articulation rule built, equivalency lists one of two courses (“OR” statement), course credits do not match, etc.
