

University of Hawai'i – West O'ahu
ACC 202 – Introduction to Managerial Accounting
Syllabus

Instructor: Sharon P. Cox, PhD, CPA
Office: UHWO – Kapolei – Classroom Building – Room D214
Phone: 689-2330
Fax: 689-2301
e-mail: coxs@hawaii.edu
Always start the subject line with **[ACC 202]**, including the square brackets.

Office Hours: Wednesdays: 2 pm – 4 pm **and** by appointment

Classroom: Classroom Building – Room D237

Prerequisite: ACC 201

Required Textbook and Materials:

1. Garrison, Noreen, and Brewer, Managerial Accounting, 14th Edition, McGraw-Hill Irwin, 2012.
McGraw Hill CONNECT electronic homework website you **MUST** use:
http://connect.mcgraw-hill.com/class/acc202_cox_fall2012
2. Calculator (see Classroom Policies #3, below)
3. Course materials posted on Lulima: <https://lulima.hawaii.edu/portal>
Mozilla Firefox is the recommended Internet Browser for Lulima (free download:
www.mozilla.com/en-US/products/)
 - a. Outlines of Class Lectures (Instructor will email you when the handout for class is posted to Lulima.)
 - b. In-class notes (Instructor's notes from class session are posted to Lulima.)
 - c. Homework Solutions (any solution not available via CONNECT will be posted to Lulima.)

COURSE DESCRIPTION:

From UHWO General Catalog 2012-2013: Introduction to managerial accounting and methods used to report information to decision makers internal to the firm. The course includes costing systems, variance analysis, budgeting, reporting, and analyzing information.

SYLLABUS IS SUBJECT TO CHANGE AT INSTRUCTOR'S DISCRETION
WITH ADVANCE NOTICE TO STUDENTS

Course Objectives and Learning Outcomes:**Upon successful completion of this course, the student will be able to:**

- 1 – Describe the role of the accountant within an organization.
(CLO 7; DLO 1; ILO 5)
- 2 – Categorize costs according to behavior and function.
(CLO 2, 5; DLO 1, 5; ILO 5)
- 3 – Describe different costing methods.
(CLO 2, 3, 5; DLO 5; ILO 5)
- 4 – Calculate product cost using multiple methods.
(CLO 1, 2, 5; DLO 1, 5, 6; ILO 3, 5)
- 5 – Complete variance analysis.
(CLO 1, 2, 5; DLO 1, 5, 6; ILO 3, 5)
- 6 – Prepare budgets.
(CLO 1, 2, 5, 8; DLO 1, 4, 5, 6; ILO 3, 5)
- 7 – Use managerial accounting for decision-making.
(CLO 1, 2, 5, 8; DLO 1, 4, 5, 6; ILO 3, 5)

Accounting Concentration Learning Outcomes (CLO):

- CLO1 – Apply the accounting skills necessary to accumulate and summarize financial information for decision making.
- CLO2 – Analyze, evaluate and report financial information to the appropriate individuals and organizations.
- CLO3 – Demonstrate written communication skills in the field of business administration.
- CLO4 – Demonstrate oral communication skills in the field of business administration.
- CLO5 – Demonstrate quantitative, technological and analytical skills necessary for problem solving in the field of business administration.
- CLO6 – Identify global and national issues affecting the business environment.
- CLO7 – Demonstrate general management knowledge
- CLO8 – Exhibit knowledge of ethical responsibilities of organizations and society.

Business Administration Division Learning Outcomes (DLO):

- DLO1 – Demonstrate critical thinking, research, and communication skills as applied to the public and private sectors.
- DLO2 – Explain the cross-cultural context of public and private institutions operating in a global environment.
- DLO3 – Manage diversity issues within an organizational framework.
- DLO4 – Identify major issues in today's public and private institutions.
- DLO5 – Demonstrate the integrative knowledge, skills, and ethics necessary for responsible administrative, management and leadership positions.
- DLO6 – Demonstrate the management, legal, ethical, and behavioral skills for effective job performance, and career mobility.

UHWO Institutional Learning Outcomes (ILO):

- ILO1 – Written communication: demonstrate clear and effective writing for an intended audience
- ILO2 – Oral communication: demonstrate clear and effective speaking skills when communicating with an intended audience.
- ILO3 – Quantitative Literacy: apply mathematical reasoning to obtain accurate results in solving problems
- ILO4 – Global and Indigenous Perspectives: analyze issues from multiple cultural perspectives to articulate an understanding of the interconnectedness of local and global issues.
- ILO5 – Critical Thinking: demonstrate critical thinking skills by applying knowledge, technology, and information to solve problems and make decisions in socially responsible and ethical ways.

**SYLLABUS IS SUBJECT TO CHANGE AT INSTRUCTOR'S DISCRETION
WITH ADVANCE NOTICE TO STUDENTS**

Laulima Help:

Distributed Learning and User Services provides the Laulima distance learning student with an orientation site to the Laulima Learning & Collaboration Server. This site offers textual, as well as, graphical information which answers frequently asked questions concerning Laulima. Information presented ranges from accessing Laulima to working with some of the most common Laulima tools that may be presented in a course.

- Laulima login page (<https://laulima.hawaii.edu/portal>) – Student Help Tab
- General UH Laulima student support page (with links to [tutorials](#) and [FAQs](#)): http://www.hawaii.edu/talent/laulima_students.htm

Other Suggestions:

- Always use the navigation buttons (e.g., Next, Cancel, etc.); alternatively, use the blue menu links on the left of the screen.
- Do not use the “back” button on your browser.

To request technical assistance send an email using the “Request Assistance” link located either at the left of the login screen, or on the bottom of every Laulima screen once you are logged in. The Information Technology people answering these emails are best able to assist you.

IMPORTANT DATES:

September 10, 2012	-- Last day to drop class (no “W” on transcript)
October 19, 2012	-- Last day to withdraw from class (“W” on transcript)
December 6, 2012	-- Final Exam – 12:00 pm to 2:00 pm (note start time)

CLASSROOM and COURSE POLICIES:

1. **Electronic Devices:** Each class session, turn off all electronic/noise-making devices. If you anticipate a need for such a device, please set the device to vibrate. If you anticipate a need for a noise-making device that cannot be set to vibrate mode, notify me before class begins. Failure to comply with this policy is considered unprofessional behavior.
2. **Use of Laptops:** Students may use laptops in the classroom to take notes or check online course material. Students may not access social media accounts during class. Students are expected to use laptops judiciously.
3. **Calculator:** Each *student is responsible to bring his or her own calculator* to class and exams. Programmable calculators (such as many of the Texas Instruments models) or those with text-storing capability are not permitted during quizzes and exams. Cell phones, personal digital assistants (PDAs) or other text storing devices are not permitted during quizzes or exams. Students are not permitted to share calculators during quizzes or exams.
4. **Classroom Behavior:** Students are expected to arrive to class on time. If a student arrives late she or he should make every effort to enter the room quietly and without disturbing the class. A pattern of late arrivals and/or disruptive behavior is considered unprofessional. Students are expected to stay for the entire class period. If it is necessary to leave early, please notify me before class begins. Students are also expected to stay in the room while class is in session as opposed to exiting and re-entering while class is in session. (There will be breaks.)
5. **Attendance** is required.
6. **Incomplete Grades:** Grades of Incomplete (I) will only be assigned to a student with a grade of “C” or above that was physically unable to complete a small fraction of the course. Assignment of an Incomplete grade is at the sole discretion of the instructor.

**SYLLABUS IS SUBJECT TO CHANGE AT INSTRUCTOR’S DISCRETION
WITH ADVANCE NOTICE TO STUDENTS**

COURSE GRADE:

Grades are based on total points earned. The total class points are as follows:

Exam #1 (Chapters 1-4)	100 points
Exam #2 (Chapters 5-8)	100 points
Final (Chapters 9-13)	100 points
Learn Smart	100 points
Problems Homework	<u>100 points</u>
Maximum Total	<u>500 points</u>

Final Course Grade

A	≥	450 points
B	≥	400 points
C	≥	350 points
D	≥	300 points
F	<	300 points

COURSE REQUIREMENTS:

Exams: All students are required to take all three exams on the day scheduled. All exams are closed book exams. Exams 1 and 2 are 80 minutes. The final exam is two hours. The examinations will cover material from the following sources: the textbook, handouts, homework, projects, information disseminated on the Laulima course site, and classroom discussions/lectures.

Make-up exams: Make-up exams will be given only under rare circumstances. In all cases, I must be notified **prior to** the exam. If I do not answer the phone, leave a message on my voice mail **prior to** the examination time. Failure to notify me prior to the start time of the exam will result in a "0" for the exam. All excuses for illness must be supported by a doctor's note. Other excused absences must be supported by appropriate documentation. Make-up exams will not be the same as the exam administered to the rest of the class and may be more difficult.

Examination Protocol: Students are not permitted to ask **any** questions during the examination. Students should document on the exam any assumptions made in their test answer. Further, the student must indicate on the cover page of the exam the question number for which he or she has documented any assumptions. Students must supply their own calculator as described in the Classroom Policy section above.

Learn Smart (100 – points – 13 assignments):

These are completed using CONNECT

(http://connect.mcgraw-hill.com/class/acc202_cox_fall2012)

all with a specific due date and due time (all based on Hawaii Time zone).

These can be repeated as many times as you wish, up to the due date. The purpose of these questions is for you to master the learning objectives for the chapter. Reread the chapter for the topics you have difficulty in answering.

At the end of the semester the average of the Learn Smart scores is multiplied by 100 points to determine the Learn Smart portion of your grade.

**SYLLABUS IS SUBJECT TO CHANGE AT INSTRUCTOR'S DISCRETION
WITH ADVANCE NOTICE TO STUDENTS**

Homework:

Problems Homework is due after the material is covered in class (**100 points – 13 graded assignments, 2 ungraded assignments**). These are completed using CONNECT (http://connect.mcgraw-hill.com/class/acc202_cox_fall2012)

Problems Homework guidelines are as follows:

- Grade is based on completeness and accuracy.
- You may complete the assignment twice.
- If your score is equal to or greater than **70%** you will receive the full 100 points available.
- If your score is less than **70%** that percentage times 100 points determines your grade for that assignment.
- At the end of the semester, the **one** lowest score is dropped. The average of the Homework scores (after dropping one) is multiplied by 100 points to determine the Problems Homework portion of your grade.

- CONNECT policies for all **Problems Homework**:
 - You may complete the assignment twice.
 - During the assignment, you will be able to check your work.
 - You will be able to check your work – twice – for each question. If you check your work for a multipart question then you are checking the entire question at that time.
 - When you check your work, you will see the green and red circles that let you know what you got right and wrong.
 - After you submit your work, you will get your score.
 - After the due date you can access detailed feedback that includes the solution and explanation.

Connect electronic homework support:

If you have problems registering or once registered encounter technological difficulties please use the following information to obtain assistance (the McGraw Hill team is best able to help you with technology issues related to Connect):

Student technical assistance, contact Digital CARE Team:

- On the internet: **www.mhhe.com/support** → click on “**Contact Us**” to send an e-Message -

- By Phone: 1-800-331-5094

Hours -Mon-Thurs, 2am-5pm Hawaii Time

Friday 2am – 1pm Hawaii Time

Sunday 1pm – 5pm Hawaii Time

Important: MUST allow Pop-ups for your browser.

**SYLLABUS IS SUBJECT TO CHANGE AT INSTRUCTOR’S DISCRETION
WITH ADVANCE NOTICE TO STUDENTS**

OTHER GRADE-RELATED CONSIDERATIONS

Participation/Professionalism: Students are expected to read the assigned chapters prior to class. Class participation is encouraged. Class participation includes questions and comments that are relevant to the topic being covered. **Attendance and timeliness** also affect the assessment of Participation and Professionalism. At the end of the semester, if a student is on the borderline between grades, the student's participation and professionalism will be considered (positive behavior will work in the student's favor). Note: see **Classroom and Course Policies** above for items that affect Participation and Professionalism.

ACADEMIC HONESTY:

Students are expected to behave with integrity in all academic endeavors. Academic dishonesty is not tolerated.

Any action that is deemed Academically dishonest as defined by UH West O'ahu Student Conduct Code (<http://www.uhwo.hawaii.edu/conduct>) may lead to redoing the assignment, receiving a failing or reduced grade for the course or being referred to the UH West O'ahu Dean of Students for University disciplinary action.

LEARNING CHALLENGES AND ACCOMODATIONS:

Students requesting accommodation for a documented disability are encouraged to contact me or Janice Takaki, Student Services Specialist, University of Hawai'i - West O'ahu (contact information:

Phone (O'ahu) - 689-2689

Phone (neighbor-islands) - 1-866-299-8656

Email - takaki@hawaii.edu

Early contact is strongly recommended.

COURSE SCHEDULE:

The course schedule is part of this syllabus. The dates for all homework, in-class group assignments and exams are given in the schedule. The exam dates **will not** change. If you have a conflict with any of the exam dates you should consider taking the course another semester to eliminate the conflict.
