Meeting Highlights

Present: Ramona Kincaid (Kaua‘i), Beth Sanders (West Hawai‘i), Karen Muraoka (Maui), Joanne Itano (UH System)

Guests: Eric Mizomi, David Groom, Velma Panlasigui, Gary Rodwell

UHM BA in Interdisciplinary Studies

This program has been offered by UHM to Maui residents for about 20 years. Faculty includes UHMC lecturers or Maui residents. There is a need for upper division social sciences courses to be offered. Ron Cambra is the contact. Kaua‘i and West Hawaii are interested in exploring offering this degree at their UCs.

STAR Project

Gary demonstrated the historical course information that is now available. The group decided that a definition of off site is to be added and another box that provides semester choices will be added. Choices will include Current/ Future and all semesters. Gary would like the group to come up with the definition. Joanne to follow up

BAS in Sustainable Science Management

David Grooms provided an overview of this degree which builds on an AS in Business Careers. Haw CC is interested in developing a 2 (high school) + 2 (AS) +2 (BAS) pathway in sustainability

The other BAS degrees that UHMC offers are in engineering technology and ABIT. Karen shared a listing of articulated courses that are required for the associate degree that feeds the BAS programs. There are only a few courses that articulate from other CCs. It was suggested that the tables be shared with the DOIS group for their review.

UHM College of Education

Statewide DL admissions deadlines are every fall semester, new cohort for: BEd, PBCSpEd and every spring semester, new cohort for: PBCSecondaryEd
Pre engineering Curriculum Update

EE 160 offered by Tep Dobry for the first time online to UHM students only in Spring 2011 and again in Spring 2012.
EE 211 to be offered by Victor Lubecke in Fall 2011 for first time to UHM students only.
Phys 272 offered for first time at Kap CC by M. Bautista. See below for specifics from the Class Availability Fall 2011 Kapi‘olani CC

This PHYS 272 class section (CRN 32486) is entirely ONLINE (http://stemcourses.kcc.hawaii.edu/~mariab/phys272/) and meets two days per week in a virtual classroom on M/W from 4-5:15 pm (required attendance). To be successful in this course, students must (1) have full regular access to a computer and to the internet; (2) have basic computer skills; (3) be able to install software; (4) be proficient in navigating the WWW and downloading files; (5) have a UH email address and know how to attach files to an e-mail message. Please contact the instructor via email (mariab@hawaii.edu) if you have any question about this class.

Goal is to offer these courses by distance each semester.

Calculus I and II are being developed for online delivery since the UHMC faculty who had taught online calculus has retired.

UC Directors Funding

For the 2010-2011 AY, funding was spend on equipment for UHH’s MAT program and work with DCDC for the calculus I/II courses. Eric Matsuoka and Jean Okamura are the SMEs for this contract.

How to spend the funding for 2011-12 AY will be discussed with this group. Budgets are not yet available for the 2011-12 AY.

Student Fees for distance students

Mona will find 2-3 specific examples where distance students are charged fees that may not be appropriate for a student who never comes to a campus. Joanne will follow up with Lui Hokoana, Associate VP for Student Affairs, as needed.

RN to BS for nonconsortium students

Kap CC and UHH have a plan for Kap CC’s AS graduates. UHM has a plan to accept nonconsortium AS nursing students. See attached. Transition course will need to be developed. Date of offering the course which is the first course for nonconsortium students is not yet determined.
Meeting of UC/EC

Group would like to have this group meet in 2011-12AY. November 18, 2011 is the suggested date on O'ahu. Agenda include NIMBA/MHRM as both are starting new groups in fall 2012. NIMBA moving to executive format ($39,000). MHRM will continue in current format.

Karen will check with Maui EC directors; Beth with NHERC; Mona will check with Waianae and Win CC about interest in meeting and possible agenda items.
