My Success (Starfish)

- Fall 2014: implementation of My Success. Began with only the developmental/remedial classes.
- May be expanded Spring 2015 to include more classes.

Castle Foundation/Hawaii P20 Grant

- Fall 2014 – ENG 100 taught at Kailua HS as a collaboration between WCC instructor and Kailua HS instructor.
- Spring 2015 – Planning to offer ENG 100 at Kahuku HS
- Kailua HS has received one of the 7 Castle Foundation/Hawaii P20 grants to scale up college offerings at the HS over the next 3 years.

Veterinary Studies Program

- The CA in Veterinary Assisting (VETA) will have program requirements to fulfill before a student can declare VETA as a major. The program requirements are:
  - English Placement at the 100 level
  - Math Placement at the 100 level
  - Mandatory attendance at a VETA Information Session
- VETA is a Fall Admissions only.
- The AS in Veterinary Technology (VETT) has an application process.
