Update from TIM: Curriculum review planned for 17-18; likely changes to MS degree and little change to BS degree. There is active discussions of moving TIM to Shidler. Possible impact on accreditation is unclear at this time. Since 2011 about 90 AA students graduated in 2.3 years with 60 UHM credits. The AS in HOST graduate can complete BS in TIM with about 70 additional credits (1 additional semester). TIM faculty have not changed from their position of not open to articulation of 300 level TIM courses or change in math requirement at this time.

Outcomes:

UHCC is planning a Hospitality Sector Partnership. Planning is July-August 2017 with launch meeting in Fall 2017.

John Richards and Tom Bingham to continue to explore ways to bring the programs together, a guest lecturer, an exchange, etc.
