Review of Revisions to ACM 215 and 216

UHM and Kap CC met earlier in the week and reviewed the animation courses at their campuses. Now there is a one to one articulation:

ACM - UHM		Kap CC
ACM 215	to	Art 126
ACM 216	to	Art 212
ACM 220	to	Art 247

UHM and Lee CC needs to review ACM 215/216 and DMED 242 and 243 for equivalency. Dan Boulos is the contact for Lee CC. Kaveh Karen and Linda Dorn are the contacts for UHM. Linda Dorn is a new faculty in animation at UHM. She provided a brief background of herself and was welcomed to the group.

Joanne to request Dan Boulos to send course syllabi and will circulate to digital media faculty for review.

Hawaii CC Update

Violet Murakami will send course syllabi for their Art 126, 226, 212 and 202 to Joanne for distribution to digital media faculty to possibly add to the articulation agreement. Violet is to follow up with UHM regarding Art 209 which both campuses offer, as they currently are not equivalent.

LeeCC TV Pro Courses

Bob Hochstein identified TVPro 101 Film and Video Production Process and Business Operations, 211 Film and Video Storytelling and Script writing and 212 Media Talent Development, Directing and Performance as courses for possible articulation to UHM. Kaveh to let Tom Brislin know about these possibilities. If there is possibility of course articulation, please let Joanne know so the agreements can be formally recognized.

Hon CC Update

Has animation courses on the books but courses have not been offered.

Their focus is print media. If UHM is interested in pursuing articulation in the graphic design area, Bud and Sandy would be interested in pursuing this. Joanne to follow up with UHM.

Maui CC Update

Four of their digital media courses now comprise an ASC and the courses are cross referenced with Art courses.

They have a video course which may articulate with one of the TVPro courses.

Articulation Agreement

To complete this agreement, the following needs to occur:

1. LeeCC and UHM are to review ACM 215/216 and DMED 242 and 243.
KapCC to review DMED 242 and 243 for equivalency to Art 126 and 212
2. HawCC to send course syllabi of Art 126 for equivalency to ACM 215 and KapCC Art 226. HawCC to send course syllabi of Art 226 for equivalency to KapCC Art 226.

Joanne to coordinate circulation of syllabi and follow up. Each campus' help in reviewing syllabi quickly would be appreciated.
