August 2014

The purpose of this Agreement is to provide a cohesive career pathway for students between the Associate in Science in Early Childhood Education (AS ECED) at Hawai'i Community College (Haw CC) and the Bachelor of Education in Elementary Education (BEd) with a Specialization in Early Childhood Education or Early Childhood and Early Childhood Special Education at the University of Hawai'i at Mānoa – College of Education (COE).

- This agreement is valid for students who officially complete the AS ECED and who are admitted to the COE according to stated admission criteria.

As part of this agreement, the COE Office of Student Academic Services (OSAS), including the OSAS Hawai'i Island Liaison/Academic Advisor, will continue to collaborate with Haw CC to ensure that accurate information is provided to students. OSAS will partner with the Haw CC ECED Faculty and Counselors in providing students with academic advising on COE General Education Core Requirements and COE admission requirements. The COE administration will help facilitate meetings with faculty and administrators as needed to discuss changes or revisions to this agreement.

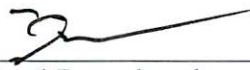

The Agreement may be revised or discontinued with the consent of both parties at any time.
