Meeting Summary

Course Changes

Art 290 changed to Art 390 by UHM
  Art 171 and 172 + 280 or 290 is equivalent to Art 175/176
  Art 270 + 280 or 290 is equivalent to Art 175/176

Art 224 changed to Art 324 effective Fall 2007
  The rationale for the change was to better prepare students for the course by
  adding a prerequisite (Art 223). It has been confirmed that a 200 level course
  may have a lower 200 numbered course as a prerequisite. Mo will ask
  drawing/painting faculty to revisit the change from 224 to 324.

Art 113 and 116 are remaining.
  Art 400 was a proposed new foundational course which has been cancelled for
  Fall 2011. It would be an additional foundational course.

Change Art 123 to 226 and Art 223 to 326
  The intent was to add Art 113 as a prerequisite to Art 123. It was discussed
  adding 113 as a prerequisite to 123 with no change to 123 or 223. Mo to discuss
  with drawing/painting faculty in Fall 2011.

Input at UHM Art Curriculum Meetings

  This committee meets 2-3 times/semester generally on a Friday. It is requested
  that an invitation to O’ahu Art faculty (a representative from each campus) be invited to
  this meeting. In the past there was one CC Art faculty who attended the curriculum
  meeting but did not consistently inform the other CC Art faculty of the discussions at
  these meetings. It is suggested that the following be discussed:

  • Perceived lack of preparation of the CC student for Art courses. What are the
    specific concerns so that the CC faculty may address them.
  • What is the vision of the UHM Art Department? What direction are the programs
    going?
  • What are the issues that drive the curriculum changes?
Gaye to provide the date/time of the September 2011 curriculum meetings to the O'ahu CC Art faculty representative (Marcia for HonCC, Jim for LeeCC, Sarah for Kap, ?Win CC rep)

Systemwide Art Faculty meeting

It was suggested that this meeting be scheduled to coincide with the UHM BFA show in the spring 2012. This would be a visioning meeting. Dean Bingham offered to provide food for this meeting and the Office of the Executive Vice President for Academic Affairs/Provost will provide travel support for at least one neighbor island Art faculty.

Note: From an email from Jim Goodman 11/2/11:

Discussions with the UHM Art Department regarding course articulation have resulted in agreements on the following courses for UHCC's who wish to have their art courses accepted as fulfilling program requirements at the UHM's Department of Art & Art History:

1. Art 123 (Intro to Painting) will remain at that number at UHM, if all UHCC campuses have Art 113 (Basic Drawing) as a prerequisite to their Art 123.
2. Art 214 (Life Drawing) will have Art 113 as a prerequisite.
3. Art 223 (Intermediate Painting) will remain at that number at UHM, if all UHCC campuses have Art 123 as a prerequisite to their Art 223.
4. Art 324 (Painting from Life) will return to Art 224 (Painting from Life), if all UHCC campuses have Art 214 and Art 223 as prerequisites to their Art 224.
5. Art 290 (Art of Africa, Pacific, North America) will be accepted at UHM as equivalent to UHM's Art 390 (Art of Africa, Pacific, North America), if those UHCC campuses that offer Art 290 have Art 176 as a pre-requisite.
