Proposed UH Productivity and Efficiency Metrics

Presented on behalf of the UH Officers
to the University of Hawaiʻi Board of Regents
July 17, 2014
Work in progress

UH Strategic Directions

• Hawaiʻi Graduation Initiative
• Hawaiʻi Innovation Initiative
• 21st Century Facilities
• High Performance System of Higher Education
Hawai‘i Graduation Initiative (HGI)

1. Number of degrees and certificates (CA and higher)
2. Student success (IPEDS, APLU-SAM)
3. Gap between above graduation rate and graduation rate for Native Hawaiian students
4. Gap between above graduation rate and graduation rate for PELL eligible students
5. Average unmet need of resident undergraduate students
6. Average total debt per undergraduate completer
7. Tuition as a percent of median household income

Graduation and Success Rates

- First-time, full-time, freshmen student graduation and transfers-out from a 2-year to any 4-year institution is tracked at each campus where they registered as their home campus.
- First-Time Freshman students are first-time classified students
  - 4-year campuses: BA seeking students and excludes DARCH and second BA seeking students
  - CC campuses: Includes Certificate and Associate degree-seeking students.
- Transfer-out from a 2-year to any 4-year students are students who transfer to internal (UH) and external (other than UH) 4-year institutions.
- Full-time attendance status is defined as undergraduate students taking 12 or more semester hours.
- Success Rates for UHCCs = Graduation Rate + Transfer Out to any 4-year institution rate.

IPEDS Graduation Rates

1. Based upon cohorts of first-time, full-time students.
2. Source: IPEDS GRS and GRS 200 surveys and IRAO tracking tables.
3. Maui College is a four-year campus in the IPEDS universe. Maui College at present does not have first-time baccalaureate degree seeking students. Therefore, certain measures, such as the transfer-out rate, are not available.

Student Achievement Measure

New way of looking at success by including part-time and transfer students. Uses National Student Clearinghouse data to look at transfers and degrees from other institutions.

Bachelor’s-seeking cohorts entering in fall 2007:
1. first-time, full-time (cohort one)
2. full-time, transfer-in (cohort two)

Associate/Certificate-seeking cohorts entering in fall 2007:
1. full-time (cohort one)
2. part-time (cohort two)

Average Total Debt Per Undergraduate Completer

1. Based on Common Data set survey methodology
   Includes:
   - First-time, undergraduate students at the institution
   - Only loans made to student while enrolled at the institution
   Excludes:
   - Transfer-in students
   - Money borrowed at other institutions
   - Parent PLUS loans
   - Pharmacy BA degrees since Pharmacy BA students are graduate degree seekers

2. Based on first degree earned

Number of Criminal Offenses, On-Campus

Criminal Offenses On-Campus includes on-campus student housing facilities.

Data represent alleged criminal offenses reported to campus security authorities and/or local law enforcement agencies.

- Data do not reflect prosecutions or convictions for crimes.
- Data cannot be compared against FBI’s Uniform Crime Reporting System which only collects statistics from police authorities.

Data pulled from the U.S. Department of Education, Office of Postsecondary Education, on June 3, 2014, as reported by campuses in accordance with the Clery Act. (http://www.ope.ed.gov/security/)

- Source data can vary depending on the date pulled.

Education & Related Expenditures per Completion

Source: IPEDS Finance survey.

1. Education and Related expenditures consist of Instruction and Student Service expenditures, plus a pro-rata share of expenditures for Academic Support, Institutional Support and Operation & Maintenance of Plant.
2. Finance data for Fiscal Year 2010 and later have been adjusted to account for changes in the IPEDS collection, so that data as reported on the IPEDS New Aligned Form are comparable to data for prior years.
3. Completions include all degrees as well as certificates with duration of one year or more (Certificate of Achievement and above).

Full-Time Equivalent (FTE) Calculations

Source: IPEDS Enrollment survey.
1. FTE calculations follow the IPEDS methodology.
2. The calculation for FTE student is the sum of the full-time headcount (full-time as defined by the institution) plus a share of the part-time headcount. The share of part-time is calculated using a constant which varies by the level of the institution (2-yr or 4-yr) and the level of the student (undergraduate, graduate or professional practice).
3. FTE for faculty and staff is the sum of the full-time headcount plus one-third of the part-time headcount.

Faculty and Staff Definitions

Source: IPEDS Human Resources Survey.
1. Instructional faculty is a derived variable in the IPEDS Data Center. It includes faculty whose primary focus is instruction, as well as those whose focus is instruction combined with research and/or public service.
2. Executive / Managerial is a primary function or occupational activity category used to classify persons whose assignments require management of the institution. Assignments require the performance of work directly related to management policies or general business operations of the institution, department or subdivision.
3. All Staff includes Professional Support/Service, Technical and Paraprofessional, Clerical and Secretarial, Skilled Crafts and Service/Maintenance workers.
4. Student Semester Hours (SSH) are the total number of credit hours all students are engaged in during the fiscal year (July 1 to June 30). Note that the graduate total includes professional practice for years prior to AY 2002-03 and for AY 2009-10 to AY 2010-11. For all other years professional practice SSH are excluded.

Classroom Utilization
(Definitions to be refined and data to be collected)

- Usage calculated for two time periods: 8:00 a.m. to 5:00 p.m. and 5:01 p.m. to 9:00 p.m.
- Usage calculated as percent of each time period that room is in use.
- Two types of rooms:
  - Classrooms (all traditional classrooms regardless of organizational occupancy)
  - Labs and other instructional spaces (labs, shops, etc. where instruction takes place).
- When space is shared, the campuses will decide on how space is allocated.
Number of Native Hawaiian Employees and Graduate Assistants (Faculty/Staff/Administrators)

- Employees who self-identified as Hawaiian or Part-Hawaiian per UH-EEO data. Casual employees are excluded.
