MEMORANDUM

TO: Randolph G. Moore  
   Chair, Board of Regents

VIA: David K. Lassner  
     President
     John Morton  
     Vice President for Community Colleges

FROM: Risa E. Dickson  
      Vice President for Academic Affairs

SUBJECT: Request to Approve Revisions to RP 5.201 Instructional Programs

SPECIFIC ACTIONS RECOMMENDED:

It is recommended that the Board of Regents approve the following revision to RP 5.201 Instructional Programs, changing the period of the first full cycle for provisional programs from 150% to 200% for certificates and associate degrees.

RECOMMENDED EFFECTIVE DATE: Upon approval

PURPOSE:

The purpose of lengthening the provisional period for certificates and associate degrees approved by the Board of Regents is to provide sufficient data for an appropriate program review. Community College students are more likely to be non-traditional with many obligations including work and family responsibilities. Lengthening the provisional period to 200% will provide four years of data for certificates of achievements and three years of data for associate degree programs. The Council of Chief Academic Officers have endorsed this revision.

ACTION RECOMMENDED:

It is recommended that the Board of Regents approve the proposed change to RP5.201 Instructional Programs

Attachments: Current RP 5.201 Instructional Programs
   Proposed RP 5.201 Instructional Programs (track change version)
   Proposed RP 5.201 Instructional Programs (clean format)
I. Purpose

To set forth policy on instructional programs that are new, provisional, under review, potentially terminated, and on the naming of programs.

II. Definitions

"Admission stop-out" is a halt to new admissions to a program.

III. Board of Regents Policy

A. New Programs

1. The board shall approve:

   a. The establishment of all new instructional programs granting academic credit leading to a degree or credential upon recommendation by the president.

   b. All new certificates that are the sole credential of an instructional program or requires significant resources except for the following:

      (1) A Certificate of Achievement in which an associate degree in the program is
already board-approved.

(2) Certificates of completion and competence.

2. The president is delegated the authority to approve new certificates consisting of courses within or among board-authorized instructional programs.

3. All new program proposals shall be consistent with the institution's mission.

B. Provisional Programs

1. New programs, once approved, shall be considered provisional during the period of their first full cycle, defined as 150% of the proposed length of the degree (e.g., 2 years for certificates 3 years for associate degrees, 6 years for bachelor degrees, 3 years for master's degree and 5 years for doctoral degrees).

2. Each provisional program shall be reviewed at the end of its first full cycle. The request to the board for “established” program status shall be submitted in the academic year following the end of the program’s first full cycle. Campuses may request and the president or designee may grant an extension for one year for provisional programs. Additional extensions may be requested.

3. The recommendation by the president for approval by the board shall include the results of a program review. Following its review, the board shall determine whether the program is to be awarded established status or terminated.

4. All provisional programs that have not applied for established status or extension in the year following the completion of the first cycle may be recommended for termination by the president.

5. In confirmation and clarification of existing practice and policy, no tenure appointments or tenure commitments shall be made in the programs during this provisional period.

C. Any significant change to a program once granted established status or deviations from the original intent, purpose, or design of the program shall be approved by the board.

D. The president is responsible for maintaining and making public an official inventory of all approved degrees and certificates of achievement, undergraduate certificates and graduate certificates.

E. Review of Established Programs

1. Instructional programs are systematically assessed to assure currency, improve teaching and learning, and achievement of student learning outcomes.

2. All established programs at University of Hawai‘i at Manoa, University of Hawai‘i at Hilo, and University of Hawai‘i – West O‘ahu shall receive a comprehensive review at a minimum of every seventh year unless otherwise stipulated by the board.

3. Established programs at the community colleges shall receive a comprehensive review
at a minimum of every fifth year unless otherwise stipulated by the board.

4. Should it be determined that a program had undergone significant changes since its establishment, a shorter review cycle may be invoked. In such cases, the program shall be subject to a comprehensive review.

5. Each campus shall develop its own program reviews schedule.

6. A summary of these reviews shall be submitted annually to the board in accordance with professional and regional (WASC) accreditation standards.

7. Reviews of particular programs may be undertaken at any time as deemed necessary by the board, faculty, or administration.

F. An admission stop-out (a halt to new admissions to the program) for more than two years shall be approved by the president. Chancellors may approve admission stop-outs for up to two years. The board shall be provided an annual report on all programs stopped-out.

G. Termination of Programs

1. Provisional and established programs deemed out-of-date or nonproductive based on a program review or other internal assessments may be terminated by the president.

2. Commitments to students already officially enrolled in such programs shall be met and limited for up to two years for associate degrees at community college programs and four years for baccalaureate degrees. No new program admissions shall take place.

3. The board shall be provided an annual report of all programs terminated.

H. Naming of Programs (Cross reference RP 11.204)

1. Programs are given a name at the time they are approved by the board. Thereafter, the president may approve changes in the functional names of academic programs and credentials as may become necessary to remain current with the terminology and focus of their fields and involve no significant change in the program requirements.

2. No program shall be given a name to honor a person without approval of the board.

IV. Delegation of Authority

The president is delegated the authority to approve new certificates consisting of courses within or among board-authorized instructional programs. See RP 5.201(A)(2).

An admission stop-out (a halt to new admissions to the program) for more than two years shall be approved by the president. Chancellors may approve admission stop-outs for up to two years. See RP 5.201(F).

B. Provisional Programs

1. New programs, once approved, shall be considered provisional during the period of their first full cycle, defined as 150% of the proposed length of the degree for baccalaureate and graduate degrees (6 years for bachelor degrees, 3 years for master’s degrees and 5 years for doctoral degrees) and 200% for certificates and associate degrees (e.g., 2 years for certificates, 4 years for associate degree, 6 years for bachelor degrees, 3 years for master’s degree and 5 years for doctoral degrees).

2. Each provisional program shall be reviewed at the end of its first full cycle. The request to the board for “established” program status shall be submitted in the academic year following the end of the program’s first full cycle. Campuses may request and the president or designee may grant an extension for one year for provisional programs. Additional extensions may be requested.

3. The recommendation by the president for approval by the board shall include the results of a program review. Following its review, the board shall determine whether the program is to be awarded established status or terminated.

4. All provisional programs that have not applied for established status or extension in the year following the completion of the first cycle may be recommended for termination by the president.

5. In confirmation and clarification of existing practice and policy, no tenure appointments or tenure commitments shall be made in the programs during this provisional period.
