MEMORANDUM

TO: Members
State Post-Secondary Education Commission

VIA: David Lassner
Administrative Officer of State Post-Secondary Education Commission

FROM: Carrie K. S. Okinaga
Gary Y. Takeuchi
Office of the Vice President for Legal Affairs and University General Counsel

SUBJECT: RECOMMEND APPROVAL TO REQUEST THE GOVERNOR'S APPROVAL TO HOLD PUBLIC HEARING REGARDING THE SIMULTANEOUS REPEAL OF HAWAI'I ADMINISTRATIVE RULES TITLE 20, CHAPTER 40, "RULES OF PRACTICE AND PROCEDURE", AND THE ADOPTION OF CHAPTER 40.1, "RULES OF PRACTICE AND PROCEDURE" FOR THE STATE POST-SECONDARY EDUCATION COMMISSION

SPECIFIC ACTION REQUESTED

The administration requests that the State Post-Secondary Education Commission ("Commission") approve requesting the Governor’s approval to hold a public hearing regarding the simultaneous repeal of Hawai'i Administrative Rules ("HAR"), Title 20, Chapter 40, entitled "Rules of Practice and Procedure", and the adoption of Chapter 40.1, entitled "Rules of Practice and Procedure" for the Commission.

RECOMMENDED EFFECTIVE DATE

Upon approval.

PURPOSE

For the past two plus years, the University of Hawai'i ("University") through its Board of Regents ("BOR") has been repealing or amending various chapters of Title 20 of the HAR, pertaining to the University. These actions have been part of an effort to improve management of the University by eliminating unnecessary or out-of-date rules, and
governing instead through policies established by the BOR at open meetings conducted in accordance with Hawai'i Revised Statutes (“HRS”) Chapter 92, with its strict requirements for notice and transparency. Adopting BOR policies via HRS Chapter 92, instead of going through formal rulemaking via HRS Chapter 91, is consistent with the autonomy provided to the University in article X, section 6 of the Hawai'i Constitution and HRS § 304A-105 (Powers of regents; official name), and permits a governance structure more appropriate and responsive to the unique needs and configuration of the University, while maintaining transparency with the public as well as the University community.

At its meeting of September 21, 2017, the BOR approved moving forward with various HAR repeals and amendments. One of the approved actions was to repeal HAR Chapter 20-40, rules of practice and procedure for the State Post-Secondary Education Commission (“Chapter 20-40”), and replace that chapter with a new HAR Chapter 20-40.1 (“Chapter 20-40.1”). Following that BOR approval, the proposed new Chapter 20-40.1 was submitted to the State Department of the Attorney General (“ATG”) for review and concurrence prior to seeking the Governor’s authorization to conduct public hearings on the new chapter. The ATG declined to approve further processing of proposed new Chapter 20-40.1, primarily on the basis that the pertinent statute (HRS § 304A-3152 (Commission’s powers and authority)) authorizes the Commission, and not the BOR, to adopt appropriate rules for the Commission. Consequently, the ATG indicated that the BOR’s approval to proceed with the adoption of the new Chapter 20-40.1 was insufficient, and the Commission should provide the approval instead.

Therefore, the purpose of this request is to recommend that the Commission approve requesting the Governor to approve the holding of a public hearing regarding the simultaneous repeal of HAR Title 20, Chapter 40, entitled “Rules of Practice and Procedure”, and the adoption of Chapter 40.1, entitled “Rules of Practice and Procedure” for the Commission.

BACKGROUND INFORMATION

In 1974, the Hawai'i State Legislature established the Commission and the state post-secondary review program (the “review program”) via HRS Chapter 305H. The Commission was placed within the University for administrative purposes, and the University had certain oversight responsibility for post-secondary education under the review program.

In 2006, HRS Chapter 305H was repealed, and the statutory provisions governing the Commission were recodified in HRS §§ 304A-3151 to 3154. In 2013, the review program was moved to the Hawai'i Department of Commerce and Consumer Affairs (“DCCA”), when HRS Chapter 305J was enacted.
Pursuant to HRS § 304A-3151, the Commission "shall consist of the members of the board of regents of the university, the provisions of section 78-4 notwithstanding,¹ and four other members who shall be broadly and equitably representative of the general public and public and private nonprofit and proprietary institutions of post-secondary education in the State and shall be appointed in accordance with section 26-34.² The commission shall be placed within the university for administrative purposes, and its administrative officer shall be the president of the university."

Currently, the four non-BOR Commission seats are vacant, and no one has been nominated to fill those seats. Nonetheless, the Commission can conduct meetings with a quorum, and take actions such as that requested here, so long as a majority of the members to which the Commission is entitled are in attendance.³ Since the Commission consists of 19 members (15 BOR members plus four other members), at least 10 Commission members can have a meeting and take action.

HRS § 304A-3152 specifically provides that:

> The commission may cooperate with the federal government to qualify the State to receive funds made available under the Higher Education Act of 1965, Public Law 89-329, as amended from time to time, and in addition may serve as the state agency for the receipt of federal funds when federal legislation dealing with higher education or post-secondary education requires, as a condition of state receipt of such funds, the designation of a state agency that is broadly representative of the general public and of post-secondary education in the State and when agencies other than the commission created by this subpart may not qualify. The commission shall adopt appropriate rules not inconsistent with this subpart as may be required to administer this subpart. The rules shall be adopted in accordance with chapter 91. (Emphasis added.)

---
¹ HRS § 78-4 concerns service on State boards and commissions, and provides among other things that no person shall serve on more than one state board or commission expressly created by a state statute or the state constitution.
² HRS § 26-34 concerns selection and terms of members of boards and commissions, and provides for gubernatorial appointment and Senate advice and consent.
³ HRS § 92-15 provides that unless otherwise specified in the legislation creating a board or commission, a majority of all the members to which the board or commission is entitled shall constitute a quorum to do business, and the concurrence of a majority of all the members to which the board or commission is entitled shall be necessary to make any action of the board or commission valid.
Further, HRS § 91-2 requires each agency, including the Commission, to "[a]dopt rules of practice, setting forth the nature and requirements of all formal and informal procedures available, and including a description of all forms and instructions used by the agency."

Thus, the Commission is required to maintain a set of rules of practice and procedure, which can be found in Chapter 20-40. The current version of Chapter 20-40 is attached as Exhibit 1. The administration, however, seeks to repeal the current Chapter 20-40 in its entirety and adopt in its place Chapter 20-40.1. Given the substantial amendment, rearrangement, and renumbering of sections proposed for Chapter 20-40, it is more efficient to simultaneously repeal the current chapter and adopt a new chapter, as permitted by §00-5-4.1 of the Hawai‘i Administrative Rules Drafting Manual.

Chapter 20-40 was last amended in 1995. The proposed adoption of Chapter 20-40.1 would (1) retain certain portions of the existing Chapter 20-40, (2) update other portions of Chapter 20-40, and (3) streamline the rules to reflect the administrative functions of the Commission. Additionally, any rules relating to the review program (such as rules applicable to contested cases, currently in Subchapter 5 of Chapter 20-40), which is now under the jurisdiction of the DCCA, will be removed from Chapter 20-40.1. A draft version of the proposed repeal of the current Chapter 20-40 and adoption of a Chapter 20-40.1 in standard format is attached as Exhibit 2. Given that certain sections of the existing Chapter 20-40 remain in the proposed Chapter 20-40.1, attached as Exhibit 3 is a Ramseyer format version of Chapter 20-40.1, tracking changes to the current Chapter 20-40.

ACTION RECOMMENDED

It is recommended that the Commission approve requesting the Governor's approval to hold a public hearing, pursuant to HRS § 91-3, regarding the simultaneous repeal of the current Chapter 20-40, "Rules of Practice and Procedure" and adoption of Chapter 20-40.1, "Rules of Practice and Procedure" for the State Post-Secondary Education Commission. Upon approval by the Commission, the administration will seek the Governor's approval to hold the public hearing pursuant to Administrative Directive 18-02 setting forth rule-making procedures.

(b) Notice of any proceeding before the commission shall comply with section 92-7, HRS.

§20-40-14 Appearances in a proceeding. (a) No person shall be permitted to appear before the commission to speak on any matter which has been brought before a committee of the commission or which is listed as an exception under section 92-5, HRS, or which is not treated as a public record or not available to inspection under sections 92-50 and 92-51, HRS. This rule may be waived by a two-thirds vote of all commission members present at the meeting in question.

(b) Subject to the limitations of subsection (a) above, any person who wants to appear before the commission to present testimony must make a request to the secretary at least twenty-four hours prior to the meeting of the commission unless waived by a two-thirds vote of all commission members present at the meeting in question.

A written copy of such testimony must be submitted prior to the meeting unless waived by a two-thirds vote of all commission members present at the meeting in question.

The commission, upon two-thirds vote of all members present, shall have the authority to limit or terminate any testimony which it determines to be repetitious or made solely for purposes of delay. This rule shall not limit, however, the powers of the commission or its chairperson under section 20-40-3(f). [Eff. JUN 2 2 198] (Auth: HRS §§305H-2, 91-2) (Imp: HRS §§305H-2, 91-2)

SUBCHAPTER 3

RULES APPLICABLE TO RULEMAKING HEARINGS

§20-40-17 Notice of proposed rulemaking. (a) When pursuant to a petition therefor, or upon its own motion, the commission proposes to issue, amend or repeal a rule, notice of proposed rulemaking will be published in accordance with chapters 91 and 92, HRS. (b) A notice of the proposed issuance, amendment, or repeal of a rule shall include:

1. A statement of the date, time and place where the public hearing will be held.
2. Reference to the authority under which the issuance, amendment, or repeal of a rule is proposed.
3. A statement of the substance of the proposed rulemaking.

§20-40-18 Conduct of rulemaking hearing. (a) Public hearing. Unless otherwise specifically directed by the commission, all rulemaking hearings shall be held at Honolulu when the entire State or a major portion thereof is affected by the proposed issuance, amendment, or repeal of a rule. However, the commission may hold such hearings on a neighbor island if a written request for such a hearing is received by the commission within the time specified in the public notice. In all cases, however, written testimony may be received by the commission in accordance with these rules.

When a matter affects only a county other than Oahu, then the hearing shall be held in that county.
(b) Presiding officer. Each such rulemaking hearing shall be presided over by the chairperson or a
member of the commission as designated by the chairperson. The hearing shall be conducted in such a way as to afford interested persons a reasonable opportunity to be heard on matters relevant to the issues involved and so as to obtain a clear and orderly record. The presiding officer shall have authority to administer oaths or affirmations and to take all other actions necessary to the orderly conduct of the proceeding.

(c) Continuance of rulemaking hearing. Each such hearing shall be held at the time and place set in the notice of hearing, but may be continued by the presiding officer from day to day or adjourned to a later date or to a different place without notice other than the announcement at the hearing.

(d) Order of hearing. At the commencement of the hearing, the presiding officer shall read the notice of hearing and shall then outline briefly the procedure to be followed. Evidence shall then be received with respect to the matters specified in the notice of hearing in such order as the presiding officer shall prescribe.

(e) Conduct of hearing. All interested persons shall be given reasonable opportunity to submit written or oral testimony or evidence with respect to the matters specified in the notice of hearing. The conduct of the hearing and filing of all documents shall be in accord with sections 20-40-6 through 20-40-12. The presiding officer shall confine the testimony to the questions before the hearing and is empowered to confine the testimony so as to keep order. Every person testifying may be subject to questioning by any member of the commission or its counsel, but questioning by private persons shall not be permitted unless the presiding officer expressly permits it.

(f) Transcript of the testimony. Unless otherwise specifically ordered by the commission or the presiding officer, testimony given at the hearing need not be reported verbatim. All supporting written statements and data offered in evidence at the hearing, and which are deemed by the presiding officer to be authentic and relevant, shall be received in evidence and made a part of the record. Unless the presiding officer finds that the furnishing of copies is impracticable, an original and fourteen copies of the exhibits shall be submitted. [Eff. JUN 22 198] (Auth: HRS §§305H-2, 91-2) (Imp: HRS §§305H-2, 91-2, 91-3)

§20-40-19 Commission action. At the final public hearing, the commission may make its decision or announce the date when its decision shall be made. The

40-9
§20-40-19 commission will consider all relevant comments and material of record before taking final action in a rulemaking hearing. [Eff. JUN 22 1981] (Auth: HRS §§305H-2, 91-2) (Imp: HRS §§305H-2, 91-2)

§20-40-20 Emergency rulemaking. Notwithstanding the foregoing rules, if the commission finds that an imminent peril to public health, safety, or morals requires adoption, amendment or repeal of a rule upon less than twenty days notice of hearing, and states in writing its reason for such finding, it may proceed without prior notice of hearing or upon such abbreviated notice and hearing as it finds practicable to adopt an emergency rule to be effective for a period not longer than one hundred twenty days without renewal. [Eff. JUN 22 1981] (Auth: HRS §§305H-2, 91-2) (Imp: HRS §§305H-2, 91-2, 91-3)

§20-40-21 Petitions for adoption, amendment or repeal of rules. (a) Scope. Any interested persons, organization or agency may petition the commission for the issuance, amendment, modification or repeal of any rule as defined in this chapter.

(b) Form and contents. Petitions for rulemaking shall conform to the requirements of section 20-40-7. Such petition for rulemaking shall set forth the text of any proposed rule or amendment desired or shall specify the rule the repeal of which is desired and state concisely the nature of the petitioner's interest in the subject matter and the reasons for seeking the issuance, amendment or repeal of the rule and shall include any facts, views, arguments and data deemed relevant by petitioner. The commission may also require the petitioner to serve other persons, organizations or agencies known to be interested in the proposed rulemaking. No request for the issuance, amendment, modification or repeal of a rule which does not conform to the requirements set forth above will be considered by the commission.

(c) Procedure. The commission shall within thirty days following the filing of the petition either deny the petition in writing or initiate public rulemaking procedures. No public hearing, oral argument or other form of proceedings will be held directly on any such decision, but if the commission determines that the petition discloses sufficient reasons in support of the relief requested to justify the institution of public rulemaking proceedings, the procedures to be followed will be as set forth in sections 20-40-17 through 20-40-19. Where the commission determines that the petition does not
§20-40-23  Petition for declaratory rulings. (a) Form and contents. On petition of an interested person, the commission may issue a declaratory order as to the applicability of any statutory provision or of any rule or order of the commission. Petitions for the issuance of such orders shall state clearly and concisely the controversy or uncertainty, shall cite the statutory authority involved, shall include a complete statement of the facts and the reasons or grounds prompting the petition, together with full disclosure of petitioner's interest and shall conform to the requirements of section 20-40-7.  
(b) Additional data and supporting authorities. The commission, upon receipt of the petition, may require the petitioner to file additional data or a memorandum of legal authorities in support of the position taken by the petitioner.  
(c) Dismissal. The commission may, without notice or hearing, dismiss a petition or declaratory ruling which fails in material respect to comply with the requirements of this chapter.  
(d) Request for hearing. Although in the usual
course of disposition of a petition for a declaratory
ruling no formal hearing will be granted to the
petitioner or to a party in interest, the commission
may at its discretion order such proceeding set down
for hearing. Any petitioner or party in interest, who
desires a hearing on a petition for declaratory ruling,
shall set forth in detail in a request the reasons why
the matters alleged in the petition, together with
supporting affidavits or other written evidence will
not permit the fair and expeditious disposition of the
petition. In addition, to the extent that such request
for hearing is dependent upon factual assertion, the
petitioner shall accompany the request with an
affidavit establishing such facts. In the event a
hearing is ordered by the commission, sections 20-40-24
and 20-40-25 shall govern the proceedings.

(e) Declaratory ruling on commission’s own

§20-40-26 Rules of evidence; official notice. In
contested cases: (a) Any oral or documentary evidence
may be received but the hearing board or officer shall
as a matter of policy provide for the exclusion of
irrelevant, immaterial, or unduly repetitious evidence
and no sanction shall be imposed or order be issued
except upon consideration of the whole record or such
portions thereof as may be cited by any party and as
supported by and in accordance with the reliable,
probative, and substantial evidence. The hearing board
or officer shall give effect to the rules of privilege recognized by law.

(b) Documentary evidence may be received in the form of copies or excerpts, if the original is not readily available; provided that upon request, parties shall be given an opportunity to compare the copy with the original.

(c) Every party shall have the right to conduct such cross-examination as may be required for a full and true disclosure of the facts, and shall have the right to submit rebuttal evidence.

(d) The hearing board or officer may take notice of judicially recognizable facts. In addition, they may take notice of generally recognized technical or scientific facts within their specialized knowledge; but parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material so noticed, and they shall be afforded an opportunity to contest the facts so noticed.

(e) Any documents filed in a contested case, other than evidence, shall conform to the requirements of section 20-40-7. In addition, all such documents shall be written in ink, typewritten, mimeographed or printed, shall be plainly legible, shall be on strong durable paper, not larger than 8-1/2" x 14" in size except that tables, charts, and other documents may be larger, folded to the size of the documents to which they are attached. [Eff. JUN 2 1981] (Auth: HRS §§305H-2, 91-2) (Imp: HRS §§305H-2, 91-2, 91-10)

§20-40-27 Examination of evidence. Whenever in a contested case the official who is to render the final decision has not heard and examined all of the evidence, the decision, if adverse to a party to the proceeding other than the commission itself, shall not be made until a proposal for decision containing a statement of reasons and including a determination of each issue of fact or law necessary to the proposed decision has been served upon the parties. An opportunity will be afforded to each party adversely affected to file exceptions and present argument to the official who is to render the decision, who shall personally consider the whole record or such portions thereof as may be cited by the parties.

§20-40-28 Decisions and orders. Every decision and order adverse to a party to the proceeding, rendered by the commission in a contested case, shall be in writing or stated in the record and shall be
accompanied by separate findings of fact and conclusions of law. If any party to the proceeding has filed proposed findings of fact, the agency shall incorporate in its decision a ruling upon each proposed finding so presented. Parties to the proceeding shall be notified by delivering or mailing a certified copy of the decision and order and accompanying findings and conclusions within a reasonable time to each party or to the party’s attorney of record.
