ALOHA,

We can no longer continue to act in arrogance and torture and harm the land that has held us so lovingly, protecting, and giving, so that humans may endure. I don't care about you scientific jargon, or desires. YOU the scientists for all your wish to scare we the people, it is you, who is hurting Mother Nature and she will fight back, Please leave. She is protected by law. Don't force death, eruptions, pain! We BEG you.

Respectfully,

Kally, Jenn, Ingrid, Jay, Charlie, Michele, Rick, Ron, Leilani, Brother Bill, Vrother Rick, Twyla, Jim, Nambi and more of our O'Hana.
