its all about money, they care about nothing else. they want to spend 1.4billion when this earth and its people are so in need of help. and what do they do up are taxes to keep us in poverty by taking 1/3 of our pay check.
then we have no say as to how it is used. gov. lingle took money from our student and teachers with ferlow days i beleve it was about 15 days. its the filthy rich trying to control every thing their way. no wonder they are called filthy filthy filthy rich. well your money can not by happyness, and i don't believe any of them no what sacredness is. i very much want to see the hawaiian kingdom reinstated. good by u.s.
