SCR 171

REQUESTING THE UNIVERSITY OF HAWAII TO SUBMIT A REPORT TO THE  
LEGISLATURE REGARDING ITS ACTIONS TO INCREASE SAFETY AND  
SECURITY ON ITS CAMPUSES

Chair Hee and Members of the Committee:

The University of Hawaii supports SCR 171 which requests the University of Hawaii to submit a report to the Legislature regarding its actions to increase safety and security on its campuses.

The University of Hawaii is firmly committed to providing a safe and secure campus environment which is designed to ensure that every possible precautionary measure is taken to protect persons and property. The University is looking forward to working with the various organizations listed in this resolution to study and implement increased measures for the safety and security of our students.

Thank you for the opportunity to testify.
