Executive Vice President for Academic Affairs & Provost, University of Hawai'i

SB 242: RELATING TO THE UNIVERSITY OF HAWAII

Chair Ige, Vice Chair Kidani and members of the Senate Committee on Ways and Means:

The University of Hawai'i supports SB 242 which amends sections in the Hawai'i Revised Statutes that are outdated, duplicative, or no longer needed. The University takes seriously its obligation to be held accountable and appreciates the legislature's understanding that standing reports may lose their relevance or currency over time. We concur with the proposed changes and look forward to working with the legislature as up-to-date information is needed.

Thank you for the opportunity to testify.
