

UNIVERSITY OF HAWAII SYSTEM

Legislative Testimony

Testimony Presented Before the
Senate Committee on Economic Development and Technology
February 22, 2012 at 1:15 pm

By

David Lassner

Vice President for Information Technology/CIO, University of Hawai'i

SB2698 – RELATING TO THE INFORMATION PRIVACY AND SECURITY
COUNCIL

Chair Fukunaga, Vice Chair Wakai and Members of the Committee:

Thank you for the opportunity to testify in support of SB 2698.

The University of Hawai'i is an active member of the Information Privacy and Security Council (IPSC). Allowing the comptroller to assign a designee to serve as chair of the Council will provide valuable flexibility that will help the IPSC achieve its mission for the State.

Thank you for this opportunity to provide testimony in support of this measure.
