### SB 46 SD1 – RELATING TO EDUCATION

Chair Ige, Vice Chair Kidani, and members of the Senate Committee on Ways and Means:

The University of Hawai'i supports SB 46 SD1 that establishes the post-secondary education commission within the Department of Commerce and Consumer Affairs (DCCA) to authorize post-secondary educational institutions to operate in the state, to maintain a listing of such private institutions, and to act on complaints concerning these institutions. SB 46 SD1 addresses the requirements of the U.S. Department of Education regulations under Title IV of the Higher Education Act of 1965, as amended. The University appreciates the thoroughness of SB 46 SD1 in specifying the criteria for authorization of private institutions, for example, through accreditation status from a recognized national or regional body and demonstration of financial integrity. These provisions serve to protect authorized private institutions as well as the public by delineating the basis for authorization. Furthermore, it is the University's position that placing the authorization function outside the University of Hawai'i (UH) avoids the potential or the appearance of a conflict of interest were the state's sole public university to authorize private providers to operate within the state.

The University is available to offer DCCA any expertise it may need regarding post-secondary educational institutions and on accreditation.

Again, we appreciate the thoughtfulness in SB 46 in addressing the U.S. Department of Education regulations, and thank you for the opportunity to testify.
