This year, our Annual Food Drive goal is to collect food and dollars for One Million Meals.

Last year’s Food Drive raised over 1.9 million meals to help feed 183,500 people statewide.

You and your co-workers can help achieve our goal, by donating food and dollars.

Nonperishable foods are most needed by our member agencies that serve the hungry. Our Top Five Most Needed Foods are:

1. CANNED PROTEINS
2. CANNED MEALS
3. CANNED VEGETABLES
4. CANNED FRUITS
5. RICE
Monetary donations are also needed to help collect, purchase and distribute food from our warehouse. Ten dollars raised, helps the Foodbank distribute food for 25 meals.

$10 distributes food for 25 meals

You can provide meals for our neighbors, friends and family in need by:

- Placing a secure, online donation at www.hawaiifoodbank.org
- Signing up for a monthly Electronic Funds Transfer from your checking, savings or credit card account
- Writing a check to The Hawaii Foodbank and submitting it to your Food Drive Coordinator
