HAWAII FOODBANK 26th ANNUAL FOOD DRIVE

This year, our Annual Food Drive goal is to collect food and dollars for One Million Meals.

Last year’s Food Drive raised over 1.9 million meals to help feed 287,000 people statewide.

You and your co-workers can help achieve our goal, by donating food & dollars.

Nonperishable foods are most needed by our member agencies that serve the hungry. Our Most Needed Foods are:

**Canned Proteins**
- Meat
- Tuna
- Chicken
- Stew

**Canned Meals**
- Spaghetti
- Chili

**Canned Vegetables**

**Canned Fruits**

**Rice**
Monetary donations are also needed to help collect, purchase and distribute food from our warehouse. Ten dollars raised, helps the Foodbank distribute food for **25 meals**.
