SUBJECT: New Enrollment Selections for 2012

New Open Enrollment selections made last Fall became effective January 1, 2012. Here are some important reminders:

- HMA participants will be automatically transferred into the HMSA 90/10 Plan, unless they selected another plan during the Open Enrollment period.
- All HMSA participants will receive new ID cards.
- Participants should receive their new membership cards by January 14, 2012, if their enrollment form was submitted timely.
- If you and/or your dependents do not receive your new membership cards by January 14, 2012, please send the EUTF an email to inquire about the status of your requested change.
- If you and/or your dependents need to see a doctor or a dentist, or fill a prescription before you receive your new membership cards, send the EUTF an email at: eutf@hawaii.gov. In the email subject line type: "URGENT CONFIRMATION OF COVERAGE NEEDED". The EUTF will review these emails as a priority and take steps to rush the enrollment. Please visit our website for more information @ www.eutf.hawaii.gov.
- All Non-Kaiser Prescription drug plans will remain the same for now. We have received approval to proceed with CVS Caremark (Longs) and have started the implementation process. We will notify everyone when the effective date is set.
