_____ APPROVED  _____ DENIED

PRESIDENT, UNIVERSITY OF HAWAII  DATE
OPRPM Form 138 – Request for Exemption from 103D, HRS

Description of goods, services, or construction:

Executive search services are being sought relating to the recruitment of a Vice President for Research and Innovation for the University of Hawaii. Search services shall include assistance in advertising, development of a challenges/opportunities document; identification, recruitment, research and vetting of qualified candidates; providing market data; and the coordination and monitoring of the search process and the screening of candidates. In addition, the selected firm will provide general consultation through completion of the search process.

(1) Explanation describing how procurement by standard competitive means is either not practicable or not advantageous to the University;

Procurement by standard competitive means involving the preparation and advertising of a formal request for proposals will not permit the completion of the world-wide recruitment and selection process in time to permit the University to make offers of appointments by Spring/Summer 2013 to fill this impending critical leadership vacancy in the time required. As a reasonable alternative, it is being proposed that invitations to submit proposals be extended to search firms who have been identified as members of the American Council on Education (ACE) Roundtable of Executive Search Firms that provide executive search services to colleges and universities across the nation. This highly competitive but less formal procedure will provide the University, in a timely manner, with ample numbers of competitive search proposals from firms who have the experience necessary to successfully assist the University in its search. The attached draft "Invitation to Submit Proposal" (hereinafter, "Invitation") provides more information about the highly competitive process that will be utilized.

(2) Details of the process or procedures to be followed in selecting the vendor to ensure as fair and open competition as practicable;

Invitations to Submit Proposals to assist in the search will be forwarded to all of the more than 25 search firms (see list of firms in attached Invitation) that are listed by the American Council on Education (ACE) Roundtable of Executive Search Firms. Invitations will also be forwarded to search firms that can be identified or express interest in working with UH. A committee of from three to five (3-5) members experienced in the conduct of an executive search will review the proposals received, taking into consideration the following factors: the firm’s prior experience in executive searches for similar positions; prior record of successful placements at other higher education institutions and/or relevant major corporations; networking and outreach capabilities; executive search administrative support capabilities; ability to meet the search schedule set by the University; and the proposed costs of the services to be provided including willingness to accept the terms outlined in the Invitation. Based on the committee’s evaluation of the proposals received, the committee will identify at least three of the search firms and forward the names of the firms and the committee’s assessment of the strengths and weaknesses of each firm to the President for final selection. The President will select from among the recommended firms.

(3) A description of the Department’s internal controls and approval requirements for the exempted procurement; and

The Office of Procurement and Real Property Management will assist in reviewing a contract for services with the firm determined by the President to best match the needs of and that will be most advantageous to the University. Expenditures will be subject to administrative review, approval, and processing in conformity with the specifications of the invitation for proposals and University policies and procedures.

(4) A list of Department personnel, by position title, who will be involved in the approval process and administration of the contract:

UH Vice President for Information Technology and CIO David Lassner, Chair of Search Committee
UH Vice President for Budget & Finance and CFO Howard Todo
Director of System Administrative Services Blanche Fountain
Executive Assistant Keala Monaco
BACKGROUND INFORMATION

The University of Hawai‘i System is currently seeking to fill the executive level position, Vice President for Research and Innovation. The Vice President for Research and Innovation serves as Chief Research and Innovation Officer for the University of Hawai‘i System (position description attached). An executive search firm is being sought to assist in the search.

Information on the University of Hawai‘i System may be found at www.hawaii.edu. Additional information about the students and faculty at the University of Hawai‘i may also be found at http://hawaii.edu/iro/maps.htm.

STATEMENT OF WORK

The consultant shall provide the following services as part of the executive search process:

1. **Assessment of Need** – Interview the President, the Search Advisory Committee and others as appropriate to develop an understanding of the University of Hawai‘i’s vision and mission for research and innovation and to get their perceptions about the qualities that a successful candidate would possess. Develop a document that provides information about the University of Hawaii (University), the Office of the VP for Research and Innovation, and defines the direction, challenges, opportunities, and expectations of the VPRI.

2. **Recruitment** – Encourage and actively recruit applicants, nominees, and referrals, and prepare background materials, as needed, on these candidates for review and consideration by the Search Advisory Committee.

3. **Applicant Pool** – Ensure that the applications and nominations submitted are complete and available to the Search Advisory Committee in compliance with published application process requirements. Assist the Committee in identifying the applicants or nominees that meet the minimum qualifications.

4. **Vetting** – Review and screen all applications and nominations of candidates who meet the minimum qualifications. At a minimum, this should include the validation of all candidates’ stated credentials (i.e., curriculum vitae, etc.) for those invited to Committee interviews. Present an overview of the qualifications and assets of recommended candidates.
5. **In-Depth Vetting of Finalists** – Provide the University with directed and non-directed reference reports on each of the finalists brought to the University for on-campus interviews, and, upon direction from the University, conduct background checks that include, but not limited to, credit/financial report, criminal record, employment verifications, educational verifications, and professional license verification.

6. **Provide Consultation and Assistance to the Search Advisory Committee and the Chancellor** – Provide consultative services to the Search Advisory Committee and the President to narrow the pool of applicants and nominees, and provide competitive market data such as lists of recent hires, salaries, national studies on salaries, etc.

**EXPECTATION OF CONSULTANTS**

1. **Experience.** Offerors shall have a minimum of FIVE (5) years of executive search experience, and must have demonstrated experience in successfully recruiting executives at the dean level or higher at accredited higher education institutions and/or completed equivalent level executive searches for campus executives in the public or private sector. Experience in recruiting and placing campus chief executive officers is especially valuable. Experience in recruiting for positions in Hawaii, while not mandatory, is also desirable.

2. **Deadlines.** Offerors shall have a track record of working under and meeting tight deadlines.

3. **Interpersonal and Organizational Skills.** Offerors shall have strong interpersonal and organizational skills.

4. **Network of Candidates.** Offerors shall have a worldwide network of contacts that will enable the offerors to recruit strong candidates for the named positions.

**PROPOSALS**

Interested search firms should submit a comprehensive proposal that provides, at a minimum, the following information.

1. **Search Firm.** Background information on the firm including areas of specialization and contact information, and years of experience.

2. **Account Executive.** Name and background information of the individual who will be handling the account. The University will expect that named Account
Executive to be the individual providing outreach and services for this account and also the individual who will serve as a liaison to the University.

3. **Previous Clients.** List of institutions or agencies that you are currently employed by or have successfully assisted in the past five years to recruit and hire a campus executives or related field. Please provide the location and date of each placement.

4. **Basic Scope of Service.** Please provide an overview of how your firm would assist in the named services as defined in the Statement of Work.

5. **Fee for Services.** Please provide a proposal of fees for the basic scope of services listed above. The fee for services may not exceed the following parameters.

   A. **Executive Search Assistance or Retainer Fee**

       Offerors shall propose a flat retainer fee to cover their services for the search for a VPRI. Any expenses over and above the retainer fees or those identified in the Other Costs and Expenses as follows shall be specified in the offeror’s proposal.

   B. **Other Costs and Expenses**

       1) **Travel and Per Diem** – Any reimbursement due the Contractor for per diem and transportation expenses under this Agreement shall be consistent with the following State and University guidelines. All expenses for all modes of transportation must be approved in writing by the University prior to travel.

           a. Reimbursement for inter-island air transportation, if applicable, shall be for actual cost only.

           b. Reimbursement for air transportation between Hawai‘i and out-of-state locations shall not exceed the lesser of actual cost and coach class airfare. In the event travel in a higher class will result in an overall cost savings to the University, and with prior written approval of the University, fares in excess of coach class may be reimbursed.

           c. Reimbursement for transportation between the consultant’s geographic location and potential candidate locations must be authorized in writing by the University prior to travel. In general, such travel should be kept to a minimum.

           d. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.
DRAFT

e. Unless prior written approval of the University is obtained, reimbursement for subsistence allowance (i.e., hotel and meals, etc.) shall consist of either the federal per diem rate or a mutually agreed upon flat dollar amount not to exceed the federal per diem rate.

2) Administrative and Support Expenses. The University shall reimburse the Contractor for expenses, which are to be invoiced monthly, incurred on the University’s behalf in the performance of the services herein. These expenses include, but are not limited to, postage, communication charges, photocopying, and research. Such indirect administrative and support expenses shall not exceed 9 percent of the retainer fee.

3) Other Direct Expenses. Direct Expenses such as advertising and videoconferencing shall be reimbursed on an actual cost basis upon submission of an invoice and receipts if authorized prior to the activity by the University.

SUBMISSION OF PROPOSALS

Interested firms should submit a search proposal for the VPRI, University along with six (6) hardcopies of the proposal and a fee schedule to the President’s Office, University of Hawai‘i, ATTN: Keala Monaco, 2444 Dole Street, Bachman Hall 202, Honolulu, Hawai‘i 96822 no later than 4:00 pm (Hawai‘i Standard Time), Friday, January 25, 2013. For additional information, please contact Keala Monaco by telephone at (808) 956-9083 or by email at kmonaco@hawaii.edu.

Please note that State law requires certification of compliance through the Hawaii Compliance Express (vendors.ehawaii.gov) prior to formal award of any contract and prior to any payments for services. Further, a second, final tax clearance will be required prior to final payment.
Roundtable of Executive Search Firms

ACE is pleased to provide information and a means of facilitating communication with executive search firms that specialize in higher education. ACE does not evaluate or endorse the services of individual firms.
