MEMORANDUM OF UNDERSTANDING
UNIVERSITY OF HAWAII
PURCHASING CARD

In a mutual effort to provide a convenient method for faculty and staff to make small dollar purchases efficiently and responsibly, this Memorandum between the Office of Procurement and Real Property Management and the below named college, school, department, or office is made and entered into for the delegation of Purchasing Card authority and responsibility. It is understood that the college, school, department, or office may withdraw from the Purchasing Card program at any time. Further, Purchasing Cards are issued to individuals only upon the approval of each Cardholder Agreement by the department’s Vice President, Chancellor, Dean or Director. The respective Vice President, Chancellor, Dean or Director must withdraw such authorization for an individual when misuse or impropriety is reported and until the matter is resolved.

Purchasing Cards are issued through and monitored by the Fiscal Administrator/Department Coordinator and the business unit. The college, school, department or office will utilize PCDO, the Kuali Financial System (KFS) reconciliation tool, to review and approve the purchasing card transactions.

The University is liable for all Purchasing Card transactions. However, the University does not maintain any central fund that is available to cover spending beyond the applicable budget. It is the responsibility of the Vice President, Chancellor, Dean/Director to ensure that the cardholder does not overspend his/her budget. In the event a Cardholder makes purchases beyond his/her budget, the Vice President, Chancellor, Dean/Director shall ensure that appropriate steps are taken to prevent such recurrence, including revocation of the Purchasing Card privilege. Any such expenditure shall be the responsibility of the Cardholder’s college, school, department, or office.
