The report is divided into two parts: I. Research Awards and II. Non-Research Awards. Each part lists:

- Awards by principal investigator
- Distribution of awards by sponsoring agency
- Distribution of awards by University of Hawaii college or unit

The report includes only new awards or new money received for continuation of projects during the fiscal year. Continuing projects funded in earlier years are not included. The non-research awards include training, instrumentation, and special programs. The total number of awards increased by 1.76% while the amount of awards increased by 1.58%, indicating a 0.18% decrease in the size of the average grant.

The extramural awards reported herein represent only one measure of the contributions made by the University’s staff and faculty in advancing knowledge and providing high quality education to our students.
