

Affirming/Updating the UH System Strategic Plan

Strategic Plan Goals/Objectives		Action			
		Keep	Dump	Revise	Suggested Measure
Goal 2	A Learning, Research, and Service Network				
Objective 1	To excel in basic & applied research for the discovery & dissemination of new knowledge.				
Action 1	Assume leadership in knowledge creation by building on existing research strengths, addressing critical gaps, and capitalizing on Hawai'i's natural advantages.	√			
Action 2	Promote research through collaboration across disciplines, campuses, and internationally.	√			
Action 3	Provide administrative leadership & support to facilitate research & training across system.	√			
Action 4	Strengthen library resources & enhance the system-wide digital library service.	√+			
Objective 2	To support Hawai'i's economy, workforce development, & improved access & flow of education in Hawai'i from preschool through a lifetime of learning.				
Action 1	Foster and maintain a working partnership that focuses on public education (P–20), teacher education, Hawaiian language and culture education, student preparation, and lifelong learning, beginning with a State DOE/UH summit.	?			Too broad—break into multiple actions
Action 2	Expand UH research enterprise, including appropriate commercialization, provide more technology employment, and facilitate technology education.	√+			
Action 3	Expand training & workforce development programs in coordination with state & industry.	√			
Action 4	Emphasize liberal arts education as the foundation for an educated & competent workforce.	√			
Action 5	Recognize & support the application of UH research in service to Hawai'i, nation, and world.	?	√		Incorporate as an objective in Action.2, 3 or 4.
Action 6	Involve faculty in developing efficient articulation process across all campuses & maximize enrollment & transfer opportunities for students.	√			
Action 7	Maintain affordable access to UH for Hawai'i residents & work with public policy leaders toward state financial assistance & enrollment incentives in high demand community needs.	√+			
Action 8	Cooperate, as appropriate, with other higher education institutions in Hawai'i.	√			
Action 9	Develop standards & criteria for awarding credit for learning outside of formal schooling.	√		Prior learning assessment. Assessment of learning K, S, A from non-formal sources.	
Objective 3	To provide access for students, faculty, & staff to a first-class information technology infrastructure, support, & services that enhances UH services in UH, the state, & beyond.	√+			# of courses offered; % of total courses offered; # of students enrolled; # of students passing & passing rate; # of students who take 2nd, 3 rd , 4 th course
Action 1	Maintain & continually fund basic technology infrastructure, training, and support to improve the efficiency/effectiveness of the entire University community.	√+			
Action 2	Mainstream institutional response to distance learning and ensure that professional development & support are integrated to benefit on campus as well as distance learning.	√+			

Affirming/Updating the UH System Strategic Plan

Strategic Plan Goals/Objectives		Action			
		Keep	Dump	Revise	Suggested Measure
Action 3	Facilitate high quality distance learning through system-wide council with leaders from instruction & support; use grass-roots task forces to leverage expertise/experience.	√+			Guideline: % of degree that can be completed via distance education
Action 4	Develop UH's entire faculty & staff to create a pervasive, technology-rich instructional environment that serves on-campus and off-campus learners.	√+
