

Affirming/Updating the UH System Strategic Plan

Strategic Plan Goals/Objectives		Action			
		Keep	Dump	Revise	Suggested Measure
Goal 2	A Learning, Research, and Service Network	✓		<i>"A Learning, Research, and Public Service Network Partnerships"</i>	
Objective 1	To excel in basic & applied research for the discovery & dissemination of new knowledge.	✓			
Action 1	Assume leadership in knowledge creation by building on existing research strengths, addressing critical gaps, and capitalizing on Hawai'i's natural advantages.	✓		<i>"Assume Demonstrate leadership in knowledge creation..."</i>	
Action 2	Promote research through collaboration across disciplines, campuses, and internationally.	✓		<i>"Promote Increase research through collaboration across domestic disciplines, campuses, and internationally international boundaries."</i>	
Action 3	Provide administrative leadership & support to facilitate research & training across system.	✓			
Action 4	Strengthen library resources & enhance the system-wide digital library service.	✓		<i>"Strengthen Increase library resources & enhance..."</i>	
Objective 2	To support Hawai'i's economy, workforce development, & improved access & flow of education in Hawai'i from preschool through a lifetime of learning.	✓		<i>"...workforce development, & via improved access..."</i>	
Action 1	Foster and maintain a working partnership that focuses on public education (P-20), teacher education, Hawaiian language and culture education, student preparation, and lifelong learning, beginning with a State DOE/UH summit.			<i>"...focuses on public P-20 education (P-20), teacher education..."</i>	
Action 2	Expand UH research enterprise, including appropriate commercialization, provide more technology employment, and facilitate technology education.				
Action 3	Expand training & workforce development programs in coordination with state & industry.				
Action 4	Emphasize liberal arts education as the foundation for an educated & competent workforce.				
Action 5	Recognize & support the application of UH research in service to Hawai'i, nation, and world.				
Action 6	Involve faculty in developing efficient articulation process across all campuses & maximize enrollment & transfer opportunities for students.				
Action 7	Maintain affordable access to UH for Hawai'i residents & work with public policy leaders toward state financial assistance & enrollment incentives in high demand community needs.				
Action 8	Cooperate, as appropriate, with other higher education institutions in Hawai'i.				
Action 9	Develop standards & criteria for awarding credit for learning outside of formal schooling.				

Affirming/Updating the UH System Strategic Plan

Objective 3	To provide access for students, faculty, & staff to a first-class information technology infrastructure, support, & services that enhances UH services in UH, the state, & beyond.			<p>"To provide access for students, faculty, & staff to a first-class information technology an infrastructure, support, & public services that enhances to connect the UH services in UH to the state, & beyond."</p> <p>(Re-write; Focus on access to the community; Building bridges between the community and univ. resources)</p>	
Action 1	Maintain & continually fund basic technology infrastructure, training, and support to improve the efficiency/effectiveness of the entire University community.		✓	(↓)	
Action 2	Mainstream institutional response to distance learning and ensure that professional development & support are integrated to benefit on campus as well as distance learning.		✓	(↓)	
Action 3	Facilitate high quality distance learning through system-wide council with leaders from instruction & support; use grass-roots task forces to leverage expertise/experience.		✓	(↓)	
Action 4	Develop UH's entire faculty & staff to create a pervasive, technology-rich instructional environment that serves on-campus and off-campus learners.		✓	(↓)	
Action 5 (Add)	Info tech.				
Action 6 (Add)	Outreach
