<sup>1</sup> All students are subject to campus-based student fees not shown here.

<sup>2</sup> Full-time (FT) tuition applies to students enrolling for 12 or more credits at UHM, UHH, and UHWO. At the Community Colleges (except for 300 Level and Above classes at Maui College as specified in footnote 4), tuition is charged on a per-credit basis for all enrolled credits effective 2001–02. In accordance with University concurrent enrollment policy, students enrolling at multiple institutions/campuses during the same term pay the applicable tuition at each campus. Unless a special tuition schedule applies, regular day tuition applies to any credit course offered throughout the year for which a General Fund appropriation is authorized. Undergraduate resident and nonresident students enrolled in nursing, dental hygiene, business, and other UHCC health programs also pay a professional fee (separate fee schedule). Undergraduate/Graduate resident and nonresident students enrolled in the architecture program at UHM also pay a professional fee (separate fee schedule).

<sup>3</sup> This rate applies to upper division courses in UH Maui College's four-year degree program and Leeward Community College's Advanced Professional Certificate in Special Education (APC) (effective Fall 2017). All other UHCC campuses are authorized to continue to charge the lower division rate for upper division APC courses until such time as the BOR approves further amendment of this schedule.

<sup>4</sup> Full-time (FT) tuition applies to students enrolling for 12 or more credits at Maui College's four-year degree programs.

**Requirements for Changes to Professional Fee Schedule**

- Approval of the UH President must be obtained at least one semester in advance.
- Increases are capped at the rate of resident undergraduate tuition increases for a particular academic year. For example, if the rate of increase for resident undergraduate tuition at a campus is three percent, professional fees can be increased up to a maximum of three percent for that same academic year.
- All fees are to be re-evaluated annually by the campus.

<sup>1</sup> At all campuses, tuition is not charged for credit courses subsidized under contractual agreements. In accordance with University concurrent enrollment policy, students enrolling at multiple institutions/campuses during the same term pay the applicable tuition at each campus.

<sup>2</sup> Undergraduate resident and nonresident nursing students at UHM enrolled in the regular programs pay a professional fee (see separate fee schedule). Professional fees will be charged unless waived by the department.

<sup>3</sup> The CBA master's degrees offered in executive format charge the resident tuition established here plus additional fees delegated to and approved by the President.

<sup>4</sup> The MEd in Private School Leadership was approved by the President in spring 2015.
