## UNIVERSITY OF HAWAI'I NOTICE OF SOLE SOURCE

Item(s) to be purchased: Campus Labs Outcome Program Software as a Service

Description and quantity of item(s):

Qty.            Description

Furnish and deliver the Campus Labs Outcome Program (Outcome Program) Software as a Service (SaaS) for Hawaii Community College (Hawaii CC), which is an Assessment Data and Information Management SaaS that Hawaii CC has been using for the past seven years. The Outcome Program connects all of Hawaii CC's data in one centralized location, provides insights into outcome assessment, accreditation, retention, and campus involvement, and provides an end-to-end solution for setting strategic goals, collecting data, and reporting. The Outcome Program is the only software that can work with Hawaii CC's current, customized AMS displays, view screens, and data-input screens, maintain the integrity of the existing data housed in the system, and integrate with new data to be captured into the system. The Outcome Program is only available from Anthology Inc. of NY. The University desires to enter into an agreement for the period October 2024 - December 2027 for the software.
