1.5 QUESTIONS BY RCUH TO OFFERORS

The Offeror is responsible for ensuring the correctness and readability of its proposal. However, the RCUH reserves the right to seek clarifications during the Proposal Review Period. Content for which a clarification may be requested includes obvious mislabeling of figures or tables, illegible text (such as may occur in a figure label being reduced to too small a font size), or an obvious clerical mistake (e.g., a misplaced decimal point or obvious mistake in designation of a unit such as feet instead of meters). The authority to permit correction of proposals is limited to proposals that, as submitted, are responsive to the RFP and may not be used to permit correction of proposals to make them responsive.

1.6 CLARIFICATION OF THE RFP

An Offeror shall carefully review this RFP for defects and questionable or objectionable matter. The Offeror further acknowledges and agrees that: (1) the RCUH reserves the right to waive any technical irregularity not affecting an unbiased and objective evaluation of all proposals; (2) such waiver will be in the best interest of the RCUH; and (3) the Offeror hereby waives any claim against the RCUH arising from such technical irregularity.

1.7 TAX CLEARANCE FOR PROPOSALS

A tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service is not required for submission of a proposal. However, in accordance with Section 103-53 of the Hawaii Revised Statutes, the selected contractor shall submit a valid tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service prior to execution of the Agreement for Services. A Certificate of Vendor Compliance that reflects a "Compliant" status from Hawaii Compliance Express (HCE), <https://vendors.ehawaii.gov/hce/splash> is acceptable in satisfying the tax clearance requirement. Governmental agencies in the U.S. (i.e., city, county, state, federal) and any foreign governmental agencies are excepted from the tax clearance requirement.

Due to the fact that the proposal review and contract award period may be tightly scheduled, it is highly recommended that Contractors submitting proposals apply for tax clearance upon submission of the proposal in order to meet key dates.

1.8 PREPARATION COSTS

Any costs incurred by Offerors in preparing or submitting a proposal shall be the sole responsibility of the Offeror.

The Offeror further certifies that the information and responses contained in the proposal are true, accurate, and complete, and that the RCUH may justifiably rely upon said information for purposes of evaluation and contracting with the Offeror. If it is later discovered that any information provided in the Offeror's proposal is false, it will result in the Offeror's elimination from consideration.

The RCUH reserves the right to consider as acceptable only those proposals submitted in accordance with all the requirements set forth in this RFP, and which demonstrate an understanding of the scope of work. Any proposal offering any other set of terms and conditions contradictory to those included in this RFP may be disqualified without further notice.

An Offeror shall be disqualified and its proposal automatically rejected for any one or more of the following reasons:

- The proposal shows any noncompliance with applicable law.
- The proposal is conditional, incomplete, or irregular in such a way as to make the proposal indefinite or ambiguous as to its meaning.
- The proposal has any provision reserving the right to accept or reject award, or reserving the right to enter into a contract pursuant to an award, or has any provision contrary to those required in the solicitation.
- The Offeror is debarred or suspended. Entities that are currently debarred or suspended from federal procurement transactions are listed in the Excluded Parties Listing System. A search can be performed at www.sam.gov to determine whether an entity has an active exclusion.

1.16 REFERENCES

The Offeror must disclose all contracts for similar services for the last FIVE (5) years, and these will serve as potential references to be contacted by the RCUH as part of the evaluation of the Offeror's proposal. Points of contact and contact information should be indicated for each contract listed.

The RCUH reserves the right to contact the references named in the Offeror's proposal and any other references provided by the Offeror during the past FIVE (5) years. The results of discussions with the references will be used to score the proposal, as described in Section 4 of this RFP.

1.17 SELECTION ON INITIAL PROPOSALS

The RCUH may select a Contractor on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Offeror's best terms.

1.18 BASIS FOR SELECTION

Based on the evaluation process discussed in Section 4 of this RFP, the highest ranked responsible and responsive Offeror will be selected.

1.19 PROCESS FOR NEGOTIATIONS

The RCUH will attempt to negotiate with the selected Offeror a mutually acceptable Agreement for Services. If this cannot be accomplished within 21 calendar days after initial Selection, the RCUH reserves the right to terminate contract negotiations with the first-ranked Offeror, and may select the second-ranked Offeror for negotiation of a potential award. This process may continue in order of Offeror ranking until a mutually acceptable Agreement for Services is achieved with the RCUH and an award is made to a selected Offeror.

1.20 AVAILABILITY OF FUNDS

Offerors are advised that entering into an Agreement for Services is contingent upon availability of funds. If funds are not available, the RCUH reserves the right not to enter into an agreement.

1.21 NOTICE TO PROCEED

The RCUH shall not be responsible for work done, even in good faith, prior to the RCUH's execution of an Agreement for Services unless specific provisions are made in the Agreement for Services.

1.22 CHANGES TO CONTRACTOR'S FEE

It is recognized that financial audit disallowances and other changes may require adjustments in the compensation due to the Contractor. In the event that future actions would either disallow or minimize the payments already made to the Contractor, the Contractor shall assist the RCUH in defending the correctness of the claim for reimbursement. If the disallowance or adjustment is upheld, then the Contractor will repay RCUH to the extent the amount of the disallowance or adjustment was included in the total fee received by the Contractor. Payment to the RCUH shall be made within THIRTY (30) calendar days from which official notice is received by the Contractor from the RCUH.

1.23 TERM OF CONTRACT

The initial term of the contract shall be for a period on ONE (1) year commencing on the date designated in the Agreement and the fees and costs shall remain firm for the initial term of the Agreement. Thereafter, the Agreement may be renewed for one (1) additional year upon mutual agreement of the parties in writing.

SECTION 2 – STATEMENT OF WORK

2.1 OVERVIEW OF THE UNIVERSITY OF HAWAII

The University of Hawai'i (hereinafter referred to as the University), one of the largest employers in the State of Hawai'i, touches the lives of thousands of Hawai'i residents and is increasingly the alma mater of individuals worldwide. The 10-campus University of Hawai'i system is a vital public institution of strong international reputation with unparalleled learning, student experiences, and research activities. The University provides a comprehensive range of educational offerings from vocational training through doctoral programs for an average enrollment of 53,500 students and attracts more than \$400 million per annum in externally funded research and training contracts and grants.

Founded in 1907, the University of Hawai'i system is currently composed of three university campuses; seven community college campuses; three University Centers, and other research extension and educational facilities distributed across six islands throughout the 50th state. In addition to the major research campus, the University of Hawai'i at Mānoa, the University system includes the University of Hawai'i at Hilo on the island of Hawai'i, and the smaller University of Hawai'i – West O'ahu on the leeward side of the Island of O'ahu. The University of Hawai'i Community College system has four campuses on the Island of O'ahu and one each on the islands of Maui, Kauai, and Hawai'i, making liberal arts and vocational college classes accessible and affordable, easing the transition from high school to college for many students. The education centers are located in the more remote areas of the state and support the rural communities via distance education.

2.2 BACKGROUND INFORMATION

The Offeror will provide advice and counsel to the University of Hawaii to increase the competitiveness of UH faculty and programs for extramural research, training, and education funding in the life sciences area for the John A. Burns School of Medicine (JABSOM) and the University of Hawai'i Cancer Center (UHCC), with the possibility that one or two other program areas may be added. Working at the direction of the Vice-President for Research and Innovation (VPRI), the Director of JABSOM and UHCC, and other Directors (if applicable), the Offeror will provide strategic guidance for UH and its research enterprise. It will provide direction to the University on federal agency and non-federal organization funding opportunities and advocate for the University within those federal and non-federal organizations.

The Offeror will conduct at least one, 3-day (minimum) site visit to Hawaii each year that will include strategy meetings with UH leadership, interactions with government officials and community leaders, and proposal development work with faculty.

The Offeror will provide proposal development guidance for individual UH faculty, large-

scale proposal refinement for select groups of faculty and internal and external pre-submission reviews of those proposals. The VPRI will refer proposals to the Offeror from select faculty and faculty groups on an ad-hoc basis for proposal assistance. Criteria for selected proposals may include those serving the UH System, proposals from new investigators, key strategic proposals serving a specific campus or group of faculty, and/or large (>\$1M), complex (multi-jurisdictional, inter-institutional, transdisciplinary, etc.), or center-like proposals. Typically the Offeror can expect to review and provide feedback on 3-4 large, collaborative, complex proposals and 10-12 smaller proposals each year. However, these figures may vary.

For each proposal the Offeror will provide at least one internal and one external review. The internal review must include a critique of the non-technical aspects of the proposal (i.e., idea presentation and development; proposal structure, wording and formatting, and responsiveness to guidelines). The external review must be conducted by a nationally prominent subject-area expert and must provide a critical analysis and critique of the proposal and strengthening recommendations. The Offeror-affiliated staff and/or the subject-area expert must be available for a follow-up telephone conference (if any) with the UH Project Investigator and any other UH official to discuss the proposal review and to field questions. In addition, the Offeror and its network of disciplinary consultants must be available to review subsequent drafts of the revised proposal or revisions to a declined proposal that is being resubmitted.

The Offeror must specify how much advance notice they will require in order to complete a comprehensive review (i.e. external and internal reviews) of each proposal submitted.

The Offeror shall address each of the following minimum qualifications in their proposal and may include additional information regarding desirable qualifications.

4.1 EVALUATION OF OFFEROR PROPOSALS

All responsive proposals received prior to the Closing Date for Receipt of Proposals of 4:00 PM Hawaii Standard Time, July 14, 2017, will be evaluated and scored.

4.2 EVALUATION COMMITTEE

A committee, comprised of at least three (3) representatives, will evaluate and score each proposal submitted after review of all proposals and completion of oral presentations, if required. The committee will submit its evaluations to the Procurement Officer. The Procurement Officer will review the RFP and the evaluations before the selection of a Contractor. The firm with the highest score according to the criteria shown in this section shall be awarded the contract.

4.3 CRITERIA FOR PROPOSAL EVALUATION AND SCORING METHOD

The scoring and subsequent ranking of each proposal will be based on a scoring method using weighted formulas for qualifications and experience, quality of proposal, price, and proposal. The total score for each proposal will be on a scale of 0 to 160 points. Four general categories will be used to evaluate the proposals:

<u>Category</u>	<u>Maximum Number of Points per</u>
Qualifications and experience	100
Quality of proposal	20
Price	40
Total	160

4.3.1 DETAILED EVALUATION FORMULA FOR PROPOSED TECHNICAL APPROACH

Within the above general categories, points will be further divided as follows:

- A. Qualifications and Experience of the offeror and personnel (includes results of reference checks) Maximum of 100 points**
- i. Successful experience and knowledge with building research competitiveness. (Maximum of 40 points)
 - ii. Successful experience in providing services mentioned in the RFP;

knowledge of the nuances of interaction in Hawaii. (Maximum 40 points)

- iii. The References category will be scored by selecting up to FIVE (5) of the Offeror's previous or current customers, and factoring their responses to standardized questions, into the evaluation. (Maximum 20 points)

B. Quality of the proposal

Maximum of 20 points

- i. Thoroughness and comprehensiveness of the proposal. (Maximum of 10 points)
- ii. Organization, detail, and feasibility of project narrative. (Maximum of 10 points)

C. Cost

Maximum of 40 points

Cost of services to be provided to the RCUH as described in Appendix D Fee Structure. (Maximum of 40 points)

A pricing formula shall be used to allot points based on the Offeror's price and the price of the lowest bidder.

Example: Maximum points for cost = 40 points

Offeror A's total cost: \$50,000 (Lowest Cost) – Awarded 40 points

Offeror B's total cost: \$55,000 (Higher Cost) – Awarded 36 points.
Prorated: $40 \times (\$50,000/\$55,000) = 36$ points awarded

Maximum possible points per area of focus: 160

The RCUH will select and attempt to negotiate a mutually acceptable Agreement for Services with the first-ranked Offeror. If this cannot be accomplished within 21 calendar days after initial Selection, the RCUH reserves the right to terminate contract negotiations with the first-ranked Offeror, and may select the second-ranked Offeror for negotiation of a potential award. This process may continue in order of Offeror ranking until a mutually acceptable Agreement for Services is achieved with the RCUH and an award is made to a selected Offeror.

ATTACHMENT B—GENERAL CONDITIONS FOR SERVICES AGREEMENTS

1. Coordination of Services by the State. RCUH, or RCUH's designee, shall coordinate the services to be provided by CONTRACTOR in order to complete the Project. CONTRACTOR shall maintain communications with RCUH or the RCUH designee, at all stages of CONTRACTOR's work, and submit to RCUH or the RCUH designee, for resolution, any questions which may arise regarding this Agreement, including but not limited to CONTRACTOR's performance of this Agreement.
2. Relationship of Parties; Independent Contractor Status and Responsibilities, Including Tax Responsibilities.
 - a. In the performance of services required under this Agreement, CONTRACTOR shall be an "independent contractor", with the authority and responsibility to control and direct the performance and details of the work and services required under this Agreement; however, RCUH shall have a general right to inspect work-in-progress to determine whether in RCUH's opinion, the services are being performed by CONTRACTOR in accordance with the provisions of this Agreement. It is understood that RCUH does not agree to use CONTRACTOR exclusively, and that CONTRACTOR is free to contract to provide services to other individuals or entities while under contract with RCUH.
 - b. CONTRACTOR, and CONTRACTOR's employees and agents, shall not be considered agents or employees of RCUH for any purpose, and CONTRACTOR's employees and agents shall not be entitled to claim or receive from RCUH any vacation, sick leave, retirement, workers' compensation, unemployment insurance, or other benefits provided to RCUH employees.
 - c. CONTRACTOR shall be responsible for the accuracy, completeness, and adequacy of its performance under this Agreement. Furthermore, CONTRACTOR intentionally, voluntarily, and knowingly assumes the sole and entire liability (if such liability is determined to exist) to CONTRACTOR's employees and agents, and to any individual not a party to this Agreement, for all loss, damage, or injury caused by CONTRACTOR, or CONTRACTOR's employees or agents in the course of their employment.
 - d. CONTRACTOR shall be responsible for payment of all applicable federal, state and county taxes and fees which may become due and owing by CONTRACTOR by reason of this Agreement, including but not limited to (i) income taxes, (ii) employment related fees, assessments and taxes, and (iii) general excise taxes. CONTRACTOR is further responsible for obtaining all licenses, permits, and certificates that may be required by reason of this Agreement, including but not limited to a general excise tax license from the Department of Taxation, State of Hawaii.

- e. CONTRACTOR shall be responsible for securing any and all insurance coverage for CONTRACTOR and CONTRACTOR's employees and agents which is, or may be, required by law. CONTRACTOR shall further be responsible for payment of all premiums, costs and other liabilities associated with securing said insurance coverage.
3. Personnel Requirements.
 - a. CONTRACTOR shall secure, at CONTRACTOR's own expense, all personnel required to perform the services required by this Agreement.
 - b. CONTRACTOR shall ensure that CONTRACTOR's employees and agents are experienced and fully qualified to engage in the activities and services required under this Agreement, and that all applicable licensing and operating requirements imposed or required under federal, state and county law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents, are complied with and satisfied.
 4. Nondiscrimination. No person performing work under this Agreement, including any subcontractor, employee or agent of CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state or county law.
 5. Subcontracts and Assignments. CONTRACTOR shall not assign or subcontract any of CONTRACTOR's duties, obligations, or interests under this Agreement without the prior written consent of RCUH. Additionally, no assignment by CONTRACTOR of CONTRACTOR's right to compensation under this Agreement shall be effective unless and until the assignment is approved in writing by RCUH, and a tax clearance is submitted by the assignee. RCUH must also approve, in writing, all other assignment or subcontract agreements entered into by CONTRACTOR's assignees and subcontractors, prior to execution.
 6. Conflict of Interest. CONTRACTOR represents that neither CONTRACTOR, nor any employee or agent of CONTRACTOR, presently has any interest (and promises that no such interest, direct or indirect, shall be acquired), which would or might conflict in any manner or degree with the performance of CONTRACTOR's services under this Agreement.
 7. Modifications of Agreement. Any modification, alteration, amendment, change, or extension to any term, provision, or condition of this Agreement shall be made only by written amendment to this Agreement, signed by CONTRACTOR and RCUH. No modification, alteration, amendment, change or extension to any term, provision, or condition of this Agreement, signed by any persons, including the University of Hawaii, shall be binding on RCUH unless signed by an authorized official of RCUH.

8. Suspension of Agreement. RCUH reserves the right at any time and for any reason to suspend all or any part of the performance required by this Agreement for any reasonable period, upon written notice to CONTRACTOR. Upon receipt of said notice, CONTRACTOR shall immediately comply with said notice and suspend all such work under this Agreement at the time stated.
9. Termination of Agreement for Default.
 - a. If CONTRACTOR breaches this Agreement by failing to satisfactorily fulfill in a timely or proper manner CONTRACTOR's obligations under this Agreement, or failing to perform any of the promises, terms, or conditions of this Agreement, and having been given reasonable notice of and opportunity to cure such default, fails to take satisfactory corrective action within the time specified by RCUH, RCUH shall have the right to terminate this Agreement in whole or in part, by giving written notice to CONTRACTOR of such termination at least seven (7) calendar days before the effective date of such termination. In the case of a partial termination, CONTRACTOR shall continue performance of this Agreement to the extent it is not terminated.
 - b. CONTRACTOR shall, within four (4) weeks of the effective date of such termination (or within four (4) weeks of the scheduled expiration of the time of performance specified in this Agreement, whichever is earlier), compile and submit in an orderly manner to RCUH an accounting of the work performed up to the effective date of termination or expiration. In such event, CONTRACTOR shall be paid for the actual cost of the services rendered, but in no event more than the total compensation payable to CONTRACTOR under this Agreement.
 - c. As of the date of termination provided in the notice, CONTRACTOR shall incur no further obligations in connection with the terminated performance, and CONTRACTOR shall stop performance to the extent specified. CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance, subject to RCUH's approval. RCUH may choose to direct CONTRACTOR to assign CONTRACTOR's right, title, and interest under terminated orders or subcontracts to RCUH.
 - d. CONTRACTOR shall not be relieved of liability to RCUH for damages sustained because of any breach by CONTRACTOR of this Agreement, including but not limited to RCUH's procurement of similar goods and services in a manner and upon terms deemed appropriate by RCUH. In such an event, RCUH may retain any amounts which may be due and owing to CONTRACTOR until such time as the exact amount of damages due to RCUH from CONTRACTOR has been determined. RCUH may also set off any damages so determined against the amounts retained.

- e. Upon termination of this Agreement (or upon the scheduled expiration of the time of performance specified in this Agreement, whichever is earlier), all finished and unfinished material prepared by CONTRACTOR shall, at RCUH's option, become RCUH's property and, together with all material, if any, provided to CONTRACTOR by RCUH, shall be delivered and surrendered to RCUH on or before the expiration date or date of termination. For purposes of this Agreement, "material" includes but is not limited to any information, data, reports, summaries, tables, maps, charts, photographs, films, graphs, studies, recommendations, program concepts, titles, scripts, working papers, files, models, audiotapes, videotapes, computer tapes, cassettes, diskettes, documents, and records developed, prepared, or conceived by CONTRACTOR in connection with this Agreement, or furnished to CONTRACTOR by RCUH. Additionally, CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property and materials in the possession of CONTRACTOR, in which RCUH has an interest.

10. Termination of Agreement for Convenience.

- a. RCUH may terminate this Agreement without statement of cause at any time, in whole or in part, by giving written notice to CONTRACTOR of such termination at least thirty (30) calendar days before the effective date of such termination. In the event of a partial termination, CONTRACTOR shall continue performance of this Agreement to the extent it is not terminated.
- b. Upon termination of this Agreement, CONTRACTOR shall, within four (4) weeks of the effective date of such termination, compile and submit in an orderly manner to RCUH an accounting of the work performed up to the effective date of termination. In such event, CONTRACTOR shall be paid for the actual cost of the services rendered, but in no event more than the total compensation payable to CONTRACTOR under this Agreement.
- c. As of the date of termination provided in the notice, CONTRACTOR shall incur no further obligations in connection with the terminated performance, and CONTRACTOR shall stop performance to the extent specified. CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance, subject to RCUH's approval. RCUH may choose to direct CONTRACTOR to assign CONTRACTOR's right, title, and interest under terminated orders or subcontracts to RCUH.
- d. All finished and unfinished material prepared by CONTRACTOR shall, at RCUH's option, become RCUH's property and, together with all material, if any, provided to CONTRACTOR by RCUH, shall be delivered and surrendered to RCUH on or before the date of termination. For purposes of this Agreement, "material" includes but is not limited to any information, data, reports,

summaries, tables, maps, charts, photographs, films, graphs, studies, recommendations, program concepts, titles, scripts, working papers, files, models, audiotapes, videotapes, computer tapes, cassettes, diskettes, documents, and records developed, prepared, or conceived by CONTRACTOR in connection with this Agreement, or furnished to CONTRACTOR by RCUH. Additionally, CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property and materials in the possession of CONTRACTOR, in which RCUH has an interest.

11. Compliance with Laws. CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, which in any way affect CONTRACTOR's performance of this Agreement.
12. Indemnification and Defense. CONTRACTOR shall defend, indemnify, and hold harmless RCUH, the University of Hawaii, the State of Hawaii, and the Project, and their respective officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys' fees and costs, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of CONTRACTOR or CONTRACTOR's employees, officers, agents, or subcontractors, occurring during or in connection with the performance of CONTRACTOR's services under this Agreement. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Agreement.
13. Disputes. No dispute arising under this Agreement may be sued upon by CONTRACTOR until after CONTRACTOR's written request to RCUH to informally resolve the dispute is rejected, or until ninety (90) days after RCUH's receipt of CONTRACTOR's written request, whichever occurs first. While RCUH considers CONTRACTOR's written request, CONTRACTOR agrees to proceed diligently with the provision of services necessary to complete the scope of services described in Attachment 1.
14. Confidentiality of Material.
 - a. All material given to or made available to CONTRACTOR by virtue of this Agreement, whether oral or written, and which is identified as proprietary or confidential information, will be safeguarded by CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of RCUH.
 - b. All information, data, or other material provided by CONTRACTOR to RCUH, which is identified as proprietary or confidential, shall be kept confidential to the extent permitted by law.

15. Ownership and Intellectual Property Rights.

- a. Physical Material. The University of Hawaii shall have complete ownership of all physical material, both finished and unfinished, which is acquired, developed, prepared, or assembled by CONTRACTOR pursuant to this Agreement, unless the provisions of the Project's Prime Award (grant/contract awarded directly by the federal government), if any, requires that title to physical material vest in another party. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the University of Hawaii or other required party as the owner of the material, without the need for any additional consideration.
- b. Patentable Inventions.
 - i. Rights to Patentable Inventions. The rights to patentable inventions shall be determined in accordance with the provisions of the Project's Prime Award, if any. If the Prime Award is subject to the applicable regulations governing patents and inventions incorporated in 37 CFR 401, the term "subcontractor" shall be substituted for "contractor" throughout 37 CFR 401, unless the context of the clause requires otherwise. It is intended that 37 CFR 401 shall apply to CONTRACTOR in such a manner as is necessary to: (1) reflect the position of CONTRACTOR as a subcontractor to RCUH, (2) insure CONTRACTOR's rights under 37 CFR 401 and its obligations to RCUH, the Project, and the United States government, and (3) enable the Project to meet its obligations under its Prime Award. In the absence of ownership provisions in the Prime Award, or if the Project is supported by other funds, the ownership of patentable inventions developed pursuant to this Agreement will be determined under applicable U.S. law. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the rights to the patentable inventions, without the need for any additional consideration.
 - ii. Licensing of Patentable Inventions. CONTRACTOR agrees to grant and hereby does grant to the University of Hawaii an irrevocable, royalty-free, non-transferable, non-exclusive right and license to use, make, have made, and distribute any patentable invention first conceived or reduced to practice in the performance of this Agreement.
- c. Copyrights. The University of Hawaii shall have complete ownership of all copyright material (including but not limited to any computer software and its documentation and/or databases) that is developed or prepared by CONTRACTOR for RCUH pursuant to this Agreement, and all such material shall be considered "works-made-for-hire." All such material shall be delivered to RCUH upon expiration or termination of this Agreement. CONTRACTOR,

however, may use thereafter any ideas and techniques that may be embodied in such works. To the extent the material is not recognized as a “work-made-for-hire” as a matter of law, CONTRACTOR hereby assigns to the University of Hawaii any and all copyrights in and to the material. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the University of Hawaii as the owner of the material, without the need for any additional consideration.

16. Publicity. CONTRACTOR shall not refer to RCUH, the University of Hawaii, the Project, or any office, agency, or officer thereof, or to the services provided pursuant to this Agreement, in any of CONTRACTOR’s brochures, advertisements, or other publicity of CONTRACTOR. All media contacts with CONTRACTOR about this Agreement shall be referred to RCUH.
17. Payment Procedures; Final Payment. All payments under this Agreement shall be made only upon (a) submission by CONTRACTOR to RCUH of original invoices specifying the amount due and certifying that services requested under this Agreement have been performed by CONTRACTOR according to this Agreement, and (b) satisfactory performance as determined by RCUH and as specified in Attachments 1, 2, and 3.
18. Tax Clearance. Final payment under this Agreement shall be subject to Section 103-53 of the Hawaii Revised Statutes, which requires a tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service, stating that all delinquent taxes, if any, levied or accrued against CONTRACTOR have been paid. A tax clearance is required on final payment for agreements of \$25,000 or more. In addition to obtaining a tax clearance prior to final payment, CONTRACTOR is required to obtain a tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service prior to the execution of this Agreement, if \$25,000 or more.
19. Governing Law. The validity of this Agreement and any of its terms and/or provisions, as well as the rights and duties of the parties to this Agreement, shall be governed by the laws of the State of Hawaii. Any action at law or in equity to enforce or interpret the provisions of this Agreement shall be brought in a state court of competent jurisdiction in Honolulu, Hawaii.
20. Notices. Any written notice required to be given by a party to this Agreement shall be (a) delivered personally, or (b) sent by United States first class mail, postage prepaid, to RCUH at its address, and to CONTRACTOR at its address, as indicated in this Agreement. A notice shall be deemed to have been received by the recipient three (3) days after mailing or at the time of actual receipt, whichever is earlier.
21. Severability. In the event that any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms

of this Agreement, provided that the remaining terms and conditions of this Agreement remain legal and enforceable.

22. Waiver. The failure of RCUH to insist upon strict compliance with any term, provision or condition of this Agreement shall not constitute or be deemed to constitute a waiver or relinquishment of RCUH's right to enforce the same in accordance with this Agreement.
23. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same Agreement.
24. Federal Provisions.
 - a. If federal funds (under a federal grant) are expended under this Agreement, CONTRACTOR shall comply with the applicable provisions of Attachment C.
 - b. If federal funds under a federal prime contract, a federal cost-type prime cost reimbursable contract, or a federal cost-type prime cost reimbursable contract are expended under this Agreement, additional Federal Acquisition Regulations will apply.
