

FEATURED SPEAKER

JACOB ISAAC-LOWRY

////////////////////// FOUNDER, FLYWIRE CAMERAS

APRIL
20
MONDAY

UH Campus Center Room 308/309

Free and open to all UH students

5:45 Doors open | 6:00 Start | 7:30 End

DISCUSSION TOPIC

Jacob is a recent graduate of the University of Hawai'i with a master's degree in mechanical engineering. He is returning to share his experience of starting his new company - FlyWire Cameras. Flywire is the world's smallest, most flexible HD wearable camera with a revolutionary recording system that 100% adapts to your lifestyle. Jacob is also the Founder of Lean Concepts, a company dedicated to sharing the power of lean training. He is an expert in the lean training program and has relatable experience as an entrepreneur. Don't miss this opportunity to attend a valuable and inspirational speech from a successful entrepreneur and UH alum.
