

Will Weinstein ETHICS CONVERSATION SERIES

**TUES
JULY 12**

MEDICAL ETHICS

6:00 - 7:30 P.M. » WILLIAM S. RICHARDSON SCHOOL OF LAW, CLASSROOM 2

Register at shidler.hawaii.edu/weinstein | Free Admission | \$6 parking after 4 p.m. on campus

How does the medical community strive to behave ethically while under pressure to maintain profitability? Is healthcare a right or a privilege? How does our health care system compare to those in other countries? How do we explain why our overall performance ranks so poorly? What are the best and worst aspects of our current system? Leaders from differing perspectives will discuss balancing “First, do no harm,” with conducting the business of medicine.

DR. MACK ROACH

Will K. Weinstein, money manager and former partner in two very successful investment banking firms, currently leads a post graduate summer course, “Integrity and Ethics in the Real World,” at the UHM William S. Richardson School of Law and the Shidler College of Business. This is Weinstein’s thirteenth summer teaching the course, introducing special guest speakers to the University and making this learning opportunity available to the public.
