

# Research Opportunities at Mānoa

## Summer 2023: Summer Dossier Series

**Friday, June 16, 2023**  
**11:30 am–12:45 pm**  
**Kuykendall 106 Events Room**

This presentation by the interim Vice-Provost of Research at Mānoa, Dr. Christopher Sabine, will span the following areas of interest to faculty across disciplines:

- Research initiatives
- Internal resources
- Research program development
- Opportunities for research funding
- Assistance in securing and obtaining extramural financial support
