Summer 2009

Aloha Prospective MSW Distance Education Student,

Thank you for your interest in the Hawaii Child Welfare Education Collaboration (HCWEC) Distance Education (DE) Program and your request for the project application. Please find a HCWEC-DE application enclosed. For information on the Distance Education Program, go to the School of Social Work's website at: www.hawaii.edu/sswork/de/index.html. Only full-time DHS employees in Permanent positions are eligible for this program, and up to five (5) applicants can be accepted into HCWEC per year. The screening and selection process starts with the enclosed application that you need to complete and return to us by **January 15, 2010**. After we have received and screened your application packet, and been notified that you have been accepted into the MSW – DE program, we will contact you to inform you of the status of your HCWEC application. Please be informed that an integral part of this selection process will be a scheduled interview with the selection committee.

We realize that the due date for your application to the project may be before you have received formal acceptance from the MSW-DE program. Please submit your HCWEC-DE application by the **January 15, 2010** deadline even if you have not heard from the School of Social Work. We will review your HCWEC application as soon as we receive word internally on your admission to the MSW-DE program. Reminder: the MSW DE program applications are due by December 15, 2009.

Thank you for your interest in this exciting, challenging and rewarding field of Social Work. If you have any questions, please feel free to contact me at (808) 956-8089 or via email at jgt@hawaii.edu.

Sincerely,

Jessica Garlock, MSW, LSW
