## SUBJECT  
**DISCUSSION / INFORMATION**

**CALL TO ORDER**  
The meeting was called to order at 3:03 pm.  
Chair Maynard

**MINUTES**  
Minutes for the April 4, 2014 meeting were approved with modification (recorded minutes indicated there would be no action with respect to Professor Wu; however, the minutes were corrected to show that Chair Maynard would follow up with Professor Wu) – 4 yeas, 0 nays, 2 abstentions. The number of people attending the meeting is greater than the vote count as two members arrived directly following the vote.  
Chair Maynard  
Secretary Szymczak

**Item 24.13**  
Chair Maynard provided the Committee with a redlined copy of the former and proposed recommendation. The proposed recommendation included the language from the Vice Chancellor’s office. The Committee considered the content and location of the new language. Eventually Member Stevens realized that the review of the new language resembled the original language that we already reviewed. The Committee decided that we would leave the old language, add the language and organization of the Committee and leave out the language from the VC’s office. Chair Maynard would make these changes to provide a cleaner document.  
A motion was made and unanimously (8 yeas, 0 nays, 0 abstentions) passed to recommend reconsideration of what was submitted.  
Chair Maynard

Discussion was held around how to get this recommendation before the Faculty Senate. Due to its length, the Committee felt that it would be best to highlight the ‘big’ changes’ in summary and ask Kristin to post the full recommendation on the Faculty Senate website for others to read in full.
