UNIVERSITY OF HAWAII AT MĀNOA

PETER ENGLERT
CHANCELLOR

December 10, 2003

MEMORANDUM

TO: Mānoa Faculty Senate

FROM: Peter Englert
Chancellor 

SUBJECT: **Mānoa Chancellor's Office Organization**

Attached you will find a proposed organization of the Mānoa Chancellor's Office. This reorganization was completed at the request of the Board of Regents, and it is our hope, after consultation, to have it placed on the Board of Regent's agenda for February. This draft has been revised based on consultation with the immediately impacted staff in the Chancellor's Office as well as input from the Mānoa Leadership Team. The attached narrative outlines the major changes contained in the draft.

The Office of Student Affairs chart included in this package is the existing structure and positions and reflects no change beyond renaming the chief from a Vice President to a Vice Chancellor. Leaving this office unchanged as a placeholder is in respect to the ongoing reorganization process currently underway.

I look forward to your comments on this draft, and will consider revisions to the draft based on your comments prior to distributing the draft to the rest of the campus.
