Education & Related Expenditures per Completion

Source: IPEDS Finance survey.

- Education and Related expenditures consist of Instruction and Student Service expenditures, plus a pro-rata share of expenditures for Academic Support, Institutional Support and Operation & Maintenance of Plant.

- Finance data for Fiscal Year 2010 and later have been adjusted to account for changes in the IPEDS collection, so that data as reported on the IPEDS New Aligned Form are comparable to data for prior years.

- Completions include all degrees as well as certificates with duration of one year or more (Certificate of Achievement and above).
